

## **Certified Registered Locksmith (CRL)**

The first level testing for locksmith certification is Certified Registered Locksmith (CRL). A Certified Registered Locksmith is required to pass the ten mandatory categories and at least two specialized electives of his choice.

The mandatory section covers the following topics:

- Codes and Code Equipment
- Cylinder Servicing
- Key Blank Identification
- Key Duplication
- Key Impressioning
- Professional Lock Opening Techniques
- Lockset Functions
- Lockset Servicing
- Basic Master Keying
- Cabinet, Furniture and Mailbox Locks
