

Classic Lifetime Warranty

<http://www.boringjigs.com>

We warrant our products against defective workmanship, materials, or operation, subject of course, to ordinary wear and tear. However, we do not warrant against defects due to failure to exercise normal maintenance, nor against the consequences of uses for which our products were not designed.

We are obligated by this contract, under this warranty or any express or implied warranty, to repair or replace products which are returned to us, shipping charges prepaid, at the address on the contact page within the lifetime of the products thereof to the original purchaser from us, and are determined by us to be defective.

Products will not be accepted for repair or replacement under this warranty unless we have given prior authorization for their return.

Classic Engineering also has a one-year Satisfaction Guarantee in which the customer may return any item, with sales receipt, up to one year after the purchase date for any reason.

There is no warranty or guarantee on any tool or cutter which has had carbide added to that tool or cutter, whether the carbide was added at the factory or as a vended part supplied from another source.

We expect that our customer will inspect these products upon receipt. If damage has resulted from shipment, our customer's only remedy is to make a claim against the carrier or parties responsible for delivery.

THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER EXPRESS WARRANTIES. IMPLIED WARRANTIES SHALL BE LIMITED TO THE DURATION OF THE WARRANTY PERIOD OF THIS EXPRESS WARRANTY. WE SHALL UNDER NO CIRCUMSTANCES BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE.
