**Terms and Conditions****ACCEPTANCE**

Corbin Russwin reserves the right to decline an order, in whole or in part, when the type or quantity of goods or credit worthiness of the Purchaser is not satisfactory to us in our sole and absolute discretion.

Purchase Orders, Quote Requests, Acknowledgements or the like issued by the Purchaser that have contrary standard terms and conditions are not binding on Corbin Russwin, unless such terms and conditions are approved in a separate written agreement by Corbin Russwin's authorized representatives. In the event of an acceptance of Purchaser's Purchase Order by Corbin Russwin, the Purchaser agrees that such acceptance is solely conditioned on Purchaser's acceptance of the terms and conditions set forth in this instrument, regardless of the terms and conditions specified in Purchaser's Purchase Order. The terms and conditions in Purchaser's Purchase Order which conflict with the terms and conditions of this instrument shall be disregarded and are hereby rejected, and this instrument shall constitute the entire agreement between Corbin Russwin and the Purchaser.

In the event that Corbin Russwin does not enforce or require strict performance of any term or condition hereof, or of any other document, instrument or other agreement relating to goods sold, such lack of enforcement or requirement of strict performance will not waive, affect or diminish any right of Corbin Russwin to enforce or require strict performance of such term or condition in the future.

**PRICES**

All prices are subject to change without notice and are not guaranteed. All shipments will be made at prices in effect at the time of shipment. Possession of this price list does not constitute an agreement to sell.

We reserve the right to correct clerical, stenographic and other obvious errors at any time.

**TERMS**

Invoices dated the 1st through the 15th will be due for 2% discount on the \*10th of the following month. Invoices dated the 16th through the 31st will be due for 2% discount on the \*25th of the following month. \*Net immediately thereafter. (Corbin Russwin retains the right to sell or to decline to sell to any Customer for any reason whatsoever when in its judgment is deemed sufficient.)

It is understood that Corbin Russwin may impose and charge a finance charge which is the lesser of one and one-half percent (1-1/2%) per month or the highest rate allowed by law on any amount which becomes past due and delinquent. Additionally the Customer shall be responsible for all collection costs, court costs and reasonable attorney's fees (where allowed by law) in connection with the recovery of any delinquent amount.

**FREIGHT**

All orders are shipped FOB factory/warehouse, except as expressly provided below. When delivered to the Transportation Company, the Purchaser assumes the risk of loss or damage in transit. Customer orders with net product value in excess of \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice to a single destination point in the United States.

Customer orders with net product value less than \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice and freight and handling charges will be added to the customer's invoice. A minimum freight and handling charge of \$15.00 will be charged on orders with net product value of \$400.00 or less. The minimum freight and handling charge will not apply to orders for only Cut (bitted) keys of any type, Master Keys, Master keyed cylinders or padlocks and factory generated bitting lists that do not have any other product types included on the order. Freight on these orders will be charged as the percentage of invoice value. For orders with net product value greater than \$400.00 and less than \$12,000.00, freight charges will be calculated as a percentage of the net invoice value and will be added to Customer's invoice. The percentage is based on the National U.S. Average On Highway Diesel Fuel Prices as reported by the US Department of Energy in effect at the beginning of each quarter. On the first Monday of each quarter, the new rate will be published on the Corbin Russwin and Door Security Solutions extranet and will go into effect on the 2nd Monday of the quarter. Please refer to the extranet for the rate chart and information on the current freight charge percentage. The percentage in effect at the time of shipment of the order will be charged. Great Grand Master keys, Grand Master keys, Master keys, Construction Master keys, Control Keys, Lot Day Keys which are shipped separate from customer order for security reasons, on orders with total net product value in excess of \$12,000.00 will be shipped prepaid by Corbin Russwin's carrier of choice. If the total order value is less than \$12,000.00, the shipping charges will be added to Customer's invoice. If a customer provides their own freight account # for the freight charges, Corbin Russwin will apply a handling fee of \$25.00 to the invoice.

Quick Ship Orders – All 1-Week Quick Ship orders are guaranteed to ship from Corbin Russwin 5 working days after receipt of all information necessary to process order or Corbin Russwin will pay freight costs. If Quick Ship is held for credit reasons Corbin Russwin will not be responsible for freight costs.

Expedited shipping options – If the customer requests an expedited method of shipment such as "Next Day Air" the charges will be prepaid by Corbin Russwin and the full rate for the service, as published by the carrier, will be added to the customer's invoice.

Packing – Corbin Russwin will pack, mark and ship the products according to its standard procedures for shipment, unless the parties agree, in writing, that Corbin Russwin will comply with any special instructions provided by the customer. Special instructions must be submitted, in writing, at time of order placement. Compliance with special instructions may result in an increased price.

**MINIMUM ORDER**

Minimum order value for complete product is \$250.00 net product value. The minimum order value for parts orders is \$100.00 net product value. In the event that the net product value does not meet the required net minimum, Corbin Russwin may, at its sole discretion (a) apply a minimum order charge, (b) reject the order or (c) waive the minimum requirement provided that the waiver of the requirement for one order shall not constitute a waiver of the requirement for any future orders. The following products are exempt from this policy: Cut (bitted) Keys of any type, Master Keyed Cylinders, Master Keyed Padlocks and Factory Generated Bitting Lists.

**QUOTATIONS**

If Corbin Russwin elects to offer a quote, such quote will be valid until the expiration date on that quote. Complete shipment of the order must be accepted by Purchaser within standard manufacturing lead times.

The quote number must be referenced on the order. Any invoiced order that has the incorrect discount applied to it and did not have the quote number written on the order will have a service fee of \$75.00 net DEDUCTED from any sales credit issued for the difference in discount.

The quote is null and void if the Purchase Order does not include ALL product lines listed on the quote or if the quantities for any item covered by the quote deviate by 10% or more.

With the issuance and acceptance of a quote for the purchase of products, the Purchaser agrees that products so purchased will not be resold or transferred to any Distributor not authorized by Corbin Russwin to sell its products. This would be inclusive of branches of the quoted Distributor. Failure to abide by this restriction may result in the Distributor's ineligibility for Quotations, or other actions in Corbin Russwin's discretion. Corbin Russwin and its sales representatives reserve the right, in their sole discretion and for any reason, to refuse a Distributor's request to quote a price other than Corbin Russwin's standard list price and regardless of whether Corbin Russwin or its sales representatives have previously quoted discounted prices to the Distributor on some or all of its orders.

**NON-CATALOGED PRODUCTS**

Products not cataloged or listed in this price book will be considered as special products, and will not be manufactured without prior written approval from Corbin Russwin.

A minimum special handling charge of \$50.00 will be added for non-cataloged product. Any additional labor or material required will be charged accordingly.

**Terms and Conditions continued**

Special products require special handling, and therefore standard lead times may not apply. Please consult with your Sales Representative for further details.

**CHANGES/CANCELLATION OF ORDERS**

Changes or cancellations on an order will result in a charge of costs for material and labor expenses that have been incurred prior to notification from Customer. If products have already been made and or are located in the shipping room, the 45% restocking fee will apply. Handling charges are billed on Customer's original order.

All Non-Cataloged Goods and Corbin Russwin Quick Ship Orders may not be changed or cancelled.

All change requests for goods, other than for the reasons stated above, must be submitted in writing to Customer Service within two (2) business days of receipt of acknowledgment of the order.

**ADD-ON ORDERS TO QUOTE**

Any new order requesting special pricing to match an existing quote number, which has already been ordered, will be accepted up to sixty (60) days after the acknowledgement of the original order. All add-on orders must reference the original factory order number, and the corresponding quote number to receive the quoted pricing discount. Add-on orders for stock will not be accepted.

**PACKAGING**

Many items are defined as to Case Lot Packaging or Minimum Order. The Case Lot policy does not apply to hardware to be used on a specific hardware project.

**DELIVERY**

Orders will be acknowledged and given a scheduled delivery date based on estimated manufacturing lead times. Complete information is required to process all orders. Orders with insufficient information for processing (i.e. keying information, door sizes, handing, etc.) may be subject to extended lead times which are relative to the time required in obtaining the necessary information for order processing. Manufacturing lead time will begin once all information is received to process an order. Corbin Russwin will use reasonable efforts to deliver products as estimated, but makes no guarantees as to delivery dates.

Corbin Russwin will not be liable for back charges incurred based on availability of product or as a result of delays in delivery caused by insufficient information required to process an order.

Corbin Russwin will not be held responsible for delays in delivery caused by strikes, fires, floods or any other causes beyond our control, including the delivery of material to us. Under no circumstances shall Corbin Russwin be liable or accountable for consequential damages due to failure of delivery.

**CLAIMS**

In the event of Company or Customer error, claims for shortages, pricing errors and/or incorrectly filled orders must be submitted in writing to Customer Service within thirty (30) days from receipt of material.

Any claims for shortages or damage by the Carrier must be made by the Customer directly to the Carrier.

**INVOICE DEDUCTION**

A Corbin Russwin Sales Representative or Customer Service Representative must be notified of any disputed invoices within sixty (60) days from the date of invoice. Deductions should only be taken for the disputed amount and the balance of the invoice is due and payable within standard payment terms.

**RETURNED GOODS**

It is the policy of Corbin Russwin to not accept returns of any materials that are correctly furnished as per the Distributor's Purchase Order. Return of product due to customer order error or accommodation must be pre-arranged with Corbin Russwin and approved in writing by Sales Management.

All products returned as "Goodwill" must meet the following criteria to be considered a return:

- Be valued in excess of \$250.00 net.
- Shipped and invoiced within the previous one hundred twenty (120) days.
- Custom, non-cataloged goods, master-keyed or Corbin Russwin Quick Ship product is not returnable.

A **MINIMUM** restocking fee of 45% will be charged. Upon receipt and verification by Corbin Russwin that the returned merchandise meets the foregoing conditions, a credit will be issued for the original invoice amount less the **MINIMUM 45%** restocking fee.

Defective goods and "Goodwill" products that meet the foregoing criteria may be returned by fulfilling the following conditions:

- Send an RGA request in writing to the Corbin Russwin Sales Representative serving the Purchaser's area.
- Ensure the RGA labels that are sent to Purchaser by Corbin Russwin are visible on return goods shipment.
- Ensure that the RGA number appears on the return shipment label and is legible.
- Return the authorized merchandise within sixty (60) days from the date of RGA issuance date.
- Return shipments must be freight prepaid to the location specified on the RGA.
- Corbin Russwin is not liable for damages to product during shipping.

No credit may be taken or issued prior to RGA approval and receipt of product.

All defective goods within the terms of our limited warranty may be returned for credit or replacement.

**TAXES**

Prices do not include any present or future Federal, State, or Local property, license, privilege, sales, use, excise, gross receipts or other like taxes or assessments, which may result from transactions or any services performed in connection herewith.

**GOVERNING LAW**

The rights and obligations of the parties shall be governed by the laws of the State of North Carolina, excluding any conflicts of law provisions. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

**LIMITED WARRANTY**

The Terms and Conditions outlined above are subject to Corbin Russwin's Limited Warranty, which is included in this Price List and incorporated herein by reference.

**PRODUCT MODIFICATIONS**

Corbin Russwin products are not designed or intended for aftermarket modification. The warranty on Corbin Russwin products becomes void if the product is modified in any way, regardless of whether the modification causes or contributes to any alleged defect. Warranty voiding modifications include, but are not limited to, third-party electrification of non-electric products and/or the installation of non-approved or non-Corbin Russwin components.

Portions of the product that carry the Corbin Russwin and Design® trademark or certification mark must be discarded and/or replaced by the party making the modification. U.L. and other certification testing and marking are also the responsibility of the party making modification. The use of the Corbin Russwin and Design® trademark on modified products constitutes trademark infringement.

**FIRE RATED OPENINGS**

Any retrofit or other field modification to a fire rated opening can potentially impact the fire rating of the opening, and Corbin Russwin, Inc. makes no representations or warranties concerning what such impact may be in any specific situation. When retrofitting any portion of an existing fire-rated opening, or specifying and installing a new fire-rated opening, please consult with a code specialist or local code official (Authority Having Jurisdiction) to ensure compliance with all applicable codes and ratings.
