

The Mega Screwdriver Get a grip with...

... The NEW Mega Screwdriver

- ▶ *Non-slip grip*
- ▶ *Impact driver*
- ▶ *Long length for extra torque*
- ▶ *Chuck for quick change bits*
- ▶ *Super torquing power*
- ▶ *Designed for the Lock and Door trade*
- ▶ *Comes with a number 3 bit for hinge screws*
- ▶ *Can also be used on allen screws, nuts and bolts*

We developed this one of a kind screwdriver/impact driver for removing and installing **door hinges, door strikes, and door closers on metal doors and frames.**

Our non-slip handle grip and 24" length will break loose any stubborn hinge screw.

Our quick change chuck allows you to use any standard quick change bit.

From the manufacturers of The Hinge Doctor
