CATALOG

Ultra Hardware™ has been supporting the Builder's market for over 30 years with the products you need to be successful. With our complete line of hinges, locksets and millwork hardware, you can be sure that Ultra has the products and expertise you need. Ultra Hardware has over 5,000 items specified, designed and programmed just for your business. And we package our products for the Pro-Builder's market with production friendly packaging to save you cost and make it easier for the installer. Our team of product experts and business consultants are constantly evaluating our product line and adding new items to meet the demand of design changes and shifting market trends.

With the sourcing strength of its parent company, World and Main, Ultra Hardware ensures that supply chain efficiencies and quality products reach your locations on time, every time. Each product is inspected twice for quality before it is shipped to your location.

Our Customer Service department works hard to understand how we can make our partnerships one that you can count on. You can reach our main offices toll free at 1.800.695.4827 and speak with a knowledgeable and helpful customer service representative who can answer your questions and guide you through your purchase.
