This cross reference is intended to provide a comparison between products offered by idh and Ives and other manufacturers where applicable. This is a listing of products that idh deems comparable in quality and specifications. This listing has been carefully compiled based on the catalogs of Ives and other manufacturers. While idh products are made in accordance to ANSI and BHMA standards, idh assumes no responsibility for the accuracy of this listing and suggests that the user refer to the manufacturer's product templates and specifications for additional information.
