

Updates to this Catalog

With this updated Access Panel catalog, we are introducing some newproduct series codes, color codes and two-digit lock and latchcodes. Many codes for our most popular products will not be affected. Below is a list of series that have been changed. Details on optionalgalvanized or stainless material codes can be found on the submittals.

Previous Series	New Series
WB	TMW
PW	TMP
PWE	TME
FDWB	FDW
FDPW	FDP
FDSS	FDS
CTWB	CTW
CP	CTE
XPA-PWE	XPE
SMT	SM
ATM	AT
HGFD	FD with Heavy Gauge Code Added

See individual product pages in this catalog for lock and latch options, or other optional features for each model.
