Key Blank Information

Locating the Ilco Key Blank number

Keys are in numerical/alpha sequence beginning with the base number.

Example: 1145
1145A
1145CE
1145J
A1145CE

The **base number** consists of one or more digits e.g., 2B, AB62C, 998GA, A1012-24N, S1098WD.

PG	No.
3	S1098WD
6	S1098WH
	SC1098X
	P1099

If the base number has a letter prefix, first find the base number, then the **prefix**. e.g.: S1098WD, H1122F, A1145CE.

PG	No.
3	S1098WD
6	S1098WH
	SC1098X
	P1099

If the key's base number does not have a prefix then the **suffix** (if any) would determine that key's placement within the group.

e.g.: 1145A
1145CE

Understanding the Price Group (PG) Column

The number in the 'PG' column next to the key blank number indicates that key's price group. Refer to the Price Group Chart on page 3 for the associated pricing.

Understanding the symbols used:

Appears in Key No. Column

- * - Key blank is listed by more than one key blank number such as X137 and TR33.
- † - Key blank has changed price groups since last price list
- # - New item
- ^ - Original Key (see page 40)

Suffix to Key Blank Number

- P - Key blank has a Black plastic head.
- PC - Key blank has colored plastic head.
- PT - Key blank has transponder in the head of the key. A suffix number (1, 6, etc.) indicates that the transponder is programmed as specified. PT5 is described below.
- PT2/5 - Key blank transponder can be programmed using the latest Ilco cloning equipment.
- EK3 - Electronic Clonable keys - use the latest Ilco cloning equipment.

Understanding the Finish (Fin.) Column

Finish Code	Description	Comments
AB	Antique Bronze	This finish is applied to some bit and barrel keys
BM	Bi-Metallic	A bit key made using a stamped steel shank, Nickel Plated, with either a zinc or plastic tip.
BR	Brass	Natural brass finish with anti-tarnish protection.
GO	Gold	A brass type finish for bit and barrel keys.
MI	Malleable Iron	A bit or barrel key made of malleable iron with a Nickel Plated finish.
NP	Nickel Plate	Nickel Plating (mirror finish), extremely durable, usually applied over brass key blanks.
NS	Nickel Silver	Natural nickel silver finish with clear anti-tarnish protection.
PT	Painted	A patterned finish
ST	Steel	Steel key with Nickel Plate finish.
ZI	Zinc	Zinc key with Nickel Plate finish.

PACKAGING OF KEY BLANKS

Standard Metal Head - Most standard metal head key blanks are packaged 10 per polybag, 5 polybags (50 keys) per box. Exceptions are the INF90 and FCT45 which are packed 5 per polybag, 5 polybags (25 keys) per box.

250 pack keys - 250/box.

Look Alike keys - 50/box

Bit & Barrel keys - 5/polybag, 5 polybags (25 keys) per box.

Plastic Head keys - 5/polybag, 5 polybags (25 keys) per box.

Standard pattern painted keys - 10/polybag, 5 polybags (50 keys) / box.

Packaged TeamKeys™ - 5/polybag, 10 polybags (50 keys) / box.

Carded TeamKeys™ or Carded KeyTools™ - 1/card, 5cards/polybag, 5 polybags (25 carded keys)/box.

Packaged Collegiate Painted keys - 5/polybag, 10 polybags (50 keys) / box.

Carded Collegiate Painted keys - 1/card, 5cards/polybag, 5 polybags (25 carded keys)/box.

Non-stock keys - Bulk packed.

Transponder, Electronic & VATS keys - 1/polybag, 5 polybags (5 keys) / box

PRODUCT AVAILABILITY LEAD-TIME

Kaba Ilco Corp is dedicated to providing fast, reliable and consistent deliveries to our customers. As with any extensive line of products, the manufacturing times will vary. For this reason, we organize Ilco products by "lead time".

In order to better serve our customers, "lead times" (LT) are indicated in the **Comprehensive Key Blank Listing**. These lead-times are also shown at the beginning of each key grouping (i.e. **Ilco-EZ (dual Numbered) Listing, Transponder Key Listing**, etc.)

The majority of Ilco stock key blanks have a **standard lead-time of 3 days** from order acceptance. For these items, we have not listed individual lead-times.

"B" lead-times indicate items that are stock items, however unexpected large orders may make these items temporarily "out of stock". In these situations the projected lead-time is 4 weeks.

Items with a **"C" lead-time** may be in stock. Should these items be out of stock, extended lead times may occur.

Custom keys (non-stock) lead times are identified at the beginning of their key groups.

LESS THAN BOX QUANTITY PRICING

All stock metal keys, other than Bit & Barrel keys, will be considered as packaged 10 keys per bag and 50 keys per box. Orders for less than 50 keys/sku, in multiples of 10, will receive less than box pricing. All plastic head keys and Bit & Barrel keys will be considered as packaged 5 keys per bag and 25 keys per box. Orders for less than 25 keys/sku, in multiples of 5, will receive less than box pricing.

VATS, Transponder and Electronic keys may be ordered in multiples of one without less than box pricing. Keys in price groups 22 through 63 will not receive less than box pricing regardless of quantity ordered, but must be ordered in proper multiples as explained above.

Key Tool	42	41	40

A pre-printed Custom Painted Order Form is available for your convenience. This form includes actual size outlines of each key and ordering specifications. To obtain a copy of this form contact our Customer Service department.

General Information

- A deposit equal to 50% of the total order value is due when the order is submitted. Orders will not be processed until we receive this deposit.
- Minimum order is 1,000 pieces per product style.
- Standard packaging is bulk.
- Color / shade variations are normal in the color transfer processes used to decorate these products. We do not guarantee color match.
- One set of three (3) painted pre-production samples will be provided at no charge for customer approval. Pre-production samples are not of the same high quality as the production keys, they are a fair representation of the colors and design.
- Design tooling and art design fees are not cancelable or refundable. These charges are payable with your order submission. After original

artwork submission and sample approval, changes to designs or colors will result in additional charges.

- For Kaba Ilco art development allow 2 – 3 weeks after placing your order.
- Delivery of product ordered is 8 – 10 weeks after final approval of art/sample.
- Re-orders are typically shipped 3 – 4 weeks after receipt of order.

Art and Sample Charges

- A one time art tooling charge of \$250 per design will apply to all custom orders. (Same design on both sides is one tooling charge. Different designs on each side equals two tooling charges.)
- Kaba Ilco art/design development or manipulation of customer-supplied art will be charged at \$75.00/hour (minimum of one hour).

Terms used for Coined or Engraved keys

There are several terms used when defining the processes used in putting an image or text on to the bow of a key. Here is a brief definition of those terms. Note: Embossing both sides of a key may result in less than desirable results as there is limited material to spread. When seeking to place an image or text on both sides of a key, if you elect to emboss the text or image on the surface of one side of the key it is generally advisable to incise the other side. Text may be incised on both sides of a key with no difficulty.

Coined: The manufacturing process of placing the text or image on to the bow of the key. In this process, the image or text put on the key bow/head may be embossed or incised.

Embossed: A result of the coining process where the text or image appears raised on the surface of the key. (As on any U.S. coin)

Incised: Normally restricted to text. A result of the coining process where the text is depressed into the surface of the key.

Engraved: Engraving is not a coining process. The text is engraved into the surface of the key using a mechanical or laser engraving machine.

Thumb side: When holding a key between the thumb and finger of the right hand, with the bitted or cutting edge facing upward, the thumb rests on the thumb side of the key. The finger rests on the finger side.

Finger side: When holding a key between the thumb and finger of the right hand, with the bitted or cutting edge facing upward, the finger rests on the finger side of the key. The thumb rests on the thumb side.

Non-Stock Specialty Bows

Lead times: 4 weeks after art approval if dies are required. 2 weeks if dies are on file. Bulk Packaged

Description	PG
HA, HG, HO, HW, MA (Ilco Standard Embossing)	10
HB, HH, HP, HX, MB (Ilco Standard Embossing, No chain hole)	11
HC, HJ, HQ, HY, MC (Custom Embossing)	12
HD, HK, HR, HZ, MD (Custom Embossing, No chain hole)	15

General notes:

- All large bow specialty keys are manufactured only in nickel-silver material.
- Large bow keys are available in many commercial and residential keyways. Automotive keyways are not available.
- Ilco standard embossing consists of a linen weave type finish on the thumb side and the same finish with a smooth (approx. 1/2 x 1) block and the Ilco name on the finger side.**
- These keys are made to order, therefore quantities are subject to 10% over or under order quantity. Invoice will be for exact quantity shipped.
- Prices are for standard bulk packaging only. Add 1.50/hundred for 250/box, 100/box, or 50/box. If desired, be sure to specify special packaging when ordering.

Coining die charges:

- A one-time die design charge of 150.00 (text only), per die needed, applies to all 'new' coining. For logos or more complex line art the charge is 200.00 per die needed. A clear Black & white copy of the artwork must be included with the initial order.
- Coining die charges are waived if initial order is for 5,000 or more keys.

Order minimums:

- The initial order minimum is 2,000 keys but may be divided among different keyways as long as you have a minimum of 500/keyway.
- Re-order minimum is 500/keyway.

Non-Stock Neuter Bow

Lead times: 4 weeks after art approval if dies are required. 2 weeks if dies are on file. Bulk packaged

Description	Brass	Nickel Plate	Nickel Silver
	PG		
HN (Either Incised Do Not Duplicate or Plain)	6	6	9
HN (Custom Coined)	8	8	10
HN (Engraved)	Key Price + 10.00/hundred		

General notes:

Neuter bow keys are available in many commercial and residential keyways, plus the 1092-M1 padlock key. Automotive keyways are not available. These keys are made to order, therefore quantities are subject to 10% over or under order quantity. Invoice will be for exact quantity shipped.

DO NOT DUPLICATE or PLAIN neuter bow keys:

To obtain keys that are incised DO NOT DUPLICATE order as follows:

KEYWAY # - HN - FINISH (example: 1145-HN- BRASS)

To obtain keys that are totally plain, order as follows:

KEYWAY - HN - FINISH - PLAIN (example: 1145 - HN - BRASS - PLAIN)

The minimum order for non-stock neuter bow keys is 250/keyway.

Custom Coined neuter bow keys:

Coining die charges: A one-time die design charge of 150.00 (text only), per die needed, applies to all 'new' coining. For logos or more complex line art the charge is 200.00 per die needed. A clear Black & white copy of the artwork must be included with the initial order. Coining die charges are waived if initial order is for 5,000 or more keys.

Order minimums:

The initial order minimum is 1,000 keys but may be divided among different keyways as long as you have a minimum of 250/keyway.

Re-order minimum is 250/keyway.

Non-Stock Ad-Line

Lead times: 4 weeks after art approval if dies are required. 2 weeks if dies are on file. Bulk packaged

Description	PG
Embossed	Key Price + 10.60/hundred
Engraved	Key Price + 10.60/hundred

General notes:

Embossed keys:

Coining die charges: A one-time die design charge of 150.00 (text only) per die needed applies to all 'new' coining. For logos or more complex line art the charge is 200.00 per die needed. A clear Black & white copy of the artwork must be included with the initial order. Coining die charges are waived if initial order is for 5,000 or more keys.

Order minimums:

The initial order minimum is 1,000 keys but may be divided among different keyways as long as you have a minimum of 250/keyway.

Re-order minimum is 250/keyway.

Non-Stock Ad-Line (continued)

Ad-Line Embossed

Different embossing dies are required for each different head design (refer to the Key Availability List). There is one tooling design charge for each different embossing die. For example, if you ordered AD-1145 and AD-A1145E (these would use the same embossing die) and AD-999 (this uses a different embossing die), there would be two tooling design charges. Likewise, if you elect to emboss both the thumb and finger sides of a key there would be two tooling design charges. The tooling design charges may be waived if the initial order exceeds 5,000 key blanks using the same die.

When ordering: Indicate the key blank number as listed in the Key Availability List. Please submit a clear, Black and white, camera ready copy of the logo and/or text desired for both the thumb and/or finger sides of the key. Keep in mind that embossing space is limited and the more detail/text you request, the smaller the detail/text will be. To preserve text clarity, do not exceed 3 lines of copy, 13 characters per line. Please list any special instructions on your order if necessary. Artwork will be prepared and submitted for customer approval before any tooling is made.

Minimum Order: 250/key blank — 1,000 key blanks/order

Example:

Key Number	Thumb Side Description (Logo/Text)		Finger Side (Text)
AD-1179	LINE 1	LOGO -	(123) 456-7890
	LINE 2	see attached artwork	
	LINE 3		

Ad-Line Engraved

Our Ad-Line Engraved Series allows you to specify engraved text for the finger side of the head of an Ilco brand nickel-plated brass key blank. Retaining the original manufacturer's head shape, the Ilco name and key number allows quick key identification when your customers return for additional duplicate keys. Engraving your store name and phone number on these keys is inexpensive advertising and assures repeat business. There are no tooling design charges, so the engraved text may be changed from order to order. The low order minimums enhance inventory turns.

ILCO® AND SILCA® KEY MACHINES

PRODUCT AVAILABILITY LEAD-TIME

Kaba Ilco Corp is dedicated to providing fast, reliable and consistent deliveries to our customers. As with any extensive line of products, the manufacturing times will vary. For this reason, we organize Ilco products by "lead time".

Most Ilco and Silca key machine models listed typically have a standard lead time of 3 days from order acceptance. For these items lead times are not listed.

"B" lead-times indicate items that are stock items, however unexpected large orders may make these items temporarily "out of stock". In these situations the projected lead-time is 4 weeks.

Items with a "C" lead-time may be in stock. Should these items be out of stock, extended lead times may occur.

MECHANICAL KEY CUTTING MACHINES

Duplicators for Cylinder / Auto Keys

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
008A-110VAC	Mini-Mite, portable manual		343.00	411.60	470.00

046 HD-220VAC	Manual, bench model, cuts safe deposit and other flat steel keys	C	667.00	800.40	920.00

ELECTRONIC KEY CUTTING MACHINES

Duplicators & Code Cutters for Cylinder/Auto Keys

Ilco EZ®-Code II

Unocode 199

Unocode 399

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
Ilco EZ®-Code II	Electronic code and duplication		3599.00	4270.80	4910.00
Unocode 199	Electronic code and duplication for automotive, cylinder and cruciform keys. Duplication in stand alone mode, cut by code in PC mode. Includes 12 months FREE Kreate-A-Key™ Software.	B	6200.00	7440.00	7750.00
D741756ZB	UC199 Automatic Feeder Unit (no air required)	C	4000.00	4800.00	5000.00
Unocode 399	Electronic code and duplication for flat cylinder or automotive keys. Designed to work either stand alone (on board database) or with a PC. Optical reader, carbide cutter, automatic depth and space calibration and optional automatic feeder.	C	11500.00	13800.00	14375.00
D717228ZB	UC399 Automatic Feeder Unit (requires dry air supply)	C	7938.00	9525.60	9922.50

ELECTRONIC KEY CUTTING MACHINES (continued)

Duplicators & Code Cutters for Cylinder/Auto Keys (continued)

Ultracode® Deluxe

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
Ultracode® Deluxe	A machine and adapter combo package. The machine supplied is the original Ultracode (cuts auto and commercial keys), but equipped with a solid carbide cutter. Also included are adapters for cutting 6 & 8 cut Tibbe keys (Jaguar applications), Porsche 928 keys, and Medeco® keys. Includes Kreate-A-Key.		13775.00	16530.00	18250.00

Duplicators & Code Cutters for High Security Keys

Tri-Code H.S.

Triax Quattrocode

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
Tri-Code H.S. 110V	Electronic machine for cutting internal & external track "laser" style automotive keys. Cut by direct code/indirect code (most series) or duplication. Will also cut standard edge cut keys with optional "D" Jaw (page 55).		6700.00	8040.00	8815.79
Triax Quattrocode 120V*	Electronic code. Includes cutter holder, USB Pen Drive (1GB). Comes with R1/R12 manual clamp for cutting laser and dimple keys and engraving keys and medals. 4th axis for angulated cuts (requires optional R4 Tilting Jaw or R13 motorized Tilting Jaw).	C	16412.00	19694.40	20515.00

* Special order

Code Software and Computer Adapters

Kreate-A-Key™

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
Kreate-A-Key™ Software (BK0202XXXX)	The market's most comprehensive direct and indirect code database. Software communicates with Ultracode™ (not Ultracode™ A/T), Unocode 399, HPC Codemax, ITL9000 and 950, and Framon FRA-2001 electronic code machines. Base program Kreate-A-Key Software CD allows 3 installations. Additional licenses are available directly from www.kreateakey.com. Older versions of Kreate-A-Key may be upgraded to current year at the same website.		575.00	690.00	821.43
Kreate-A-Key MK Module*	Master Keying (step by step creation of systems)	B	191.00	229.20	272.86
Kreate-A-Key Triax Module*	FOR TRIAX.E-CODE ONLY! Provides interface capability w/ Triax Key Machine (includes add'l sidewinder code information)	B	380.00	456.00	542.86
Kreate-A-Key Auto Module*	Automotive Service Information (car opening, lock cylinder tumbler positions, transponder information, replacement cylinders)	B	252.00	302.40	360.00
Kreate-A-Key Interface Kit	Interface Kit for the Iico EZ®-Code to communicate with KAK		18.40	22.08	26.29
Keyspan USA-19HS USB Serial Adapter (BM0147XXXX)	Required for connecting computers lacking a serial port to Silca electronic key machines	B	38.85	46.62	55.50

* Optional modules may be ordered in conjunction with the base program or at any time afterwards.

Iico/Silca Key Machine Optional Jaws and Accessories

Product No.	Description	LT	Whse. Dist. Net	Dist. Net	Sugg. Dir.
	For 057 HS				
BD0720XXXX	057 HS Depth Calibration Gage Set		5.45	6.54	7.79

Sales Policy

Kaba Ilco Sales Policy supercedes any terms and conditions stated by the purchaser.

PRICES: Prices are subject to change without notice and are not guaranteed. All orders will be invoiced at net prices in effect on date of shipment.

TAXES: Prices do not include any federal, state, municipal, sales or other taxes. The amount of such tax will be added to the purchase price paid by the buyer.

TERMS: 1% 15 days, net 30. Kaba Ilco reserves the right to add a 1 1/2% per month carrying charge on all invoices 30 days past due. For example: an invoice dated April 15th will be considered past due on May 16th and the carrying charge will be added to the May 30th statement.

ORDER ACCEPTANCE: Kaba Ilco reserves the right to refuse any orders which may be received, and will not be bound to fill any order until it has been accepted by an officer of the company at Rocky Mount, NC. If the order is declined, notification will be provided within 14 working days of receipt of the order.

Kaba Ilco makes an effort to identify and correct invalid product numbers. However, orders must contain valid, complete Kaba Ilco product number to avoid delays and assure that the item(s) will be shipped correctly. Kaba Ilco will not be held responsible for errors made in the cross-referencing of competitors' product numbers.

CREDIT: Should an account become delinquent, orders in process may be held subject to review by the Credit Department. When released, orders are subject to standard lead times which will be calculated from the release date.

MINIMUM ORDERS: Only orders with a new value of \$100.00 (US) or more will be accepted for processing.

ORDER MODIFICATIONS: Kaba Ilco will accept changes to purchase orders until they have been entered into our order processing system. Once an order has been entered, only deletions of stock products are permissible without approval. Other approved modifications are subject to a handling charge. Once initial shipment of an order has been made, additions to that order cannot be accepted.

DELIVERY: Shipping schedule estimates are based on our best judgement and cannot be guaranteed nor can these estimates be considered legally binding.

FREIGHT ALLOWANCE: All shipments are F.O.B. Rocky Mount, NC. A shipment becomes the property of the consignee when accepted by the carrier who assumes the risk of loss or damage in transit. Any cartage, inside delivery or handling charges between freight destination and customer warehouse are to be paid by the customer. Freight will be prepaid on orders for \$1000 (US) or more net to one destination with the 48 contiguous states and Canada by the routing of our choice. If customer specifies other routing, the difference will be invoiced. Priority shipments are not prepaid and may be subject to special handling charges.

CLAIMS: All claims for shipping and invoicing differences must be submitted within 10 working days after receipt of shipment. Upon request, Kaba Ilco will provide the customer with information necessary to secure Proof of Delivery from carrier.

RETURNS: All requests to return goods must be made within six months from date of invoice. No merchandise is to be returned without a Return Goods Authorization number from Kaba Ilco. A Return Goods Number will be assigned and a label will be sent from the factory for the returnable merchandise only. This number must be marked clearly on the outside of the carton(s) to assure proper handling. Return Goods Numbers are valid for only 60 days from day of issue. All components must be included in one package even if broken or defective. All returns are to be shipped prepaid and are subject to a handling charge. Product(s) made to order are not returnable. The issuance of a Return Goods Number does not imply that credit will be issued. All credits issued will be based on our acceptance after inspection of the returned item(s).

MINIMUM ANNUAL SALES VOLUME: Kaba Ilco reserves the right to discontinue direct sales to any customer who does not meet the minimum annual sales volumes. The current annual sales requirement is \$3000 (US).
