## TERMS AND CONDITIONS OF SALE

The terms and conditions contained herein shall govern the sale of all Stanley products located in the Stanley price catalog and/or offered for sale by Stanley Security Solutions, Inc., except for those products as set forth under separate Stanley Value Added Reseller Agreements. The acceptance of any order is expressly made conditional upon your assent to these Terms and Conditions of Sale.

**PRICES:** Stanley reserves the right, in its sole discretion, to change or amend its price list (including, but not limited to, adding or removing Products from the price list), and standard terms and conditions of sale as contained in its catalogs, price list or published sales policies, without incurring any liability whatsoever to its Customer or others. All orders will be filled at the Stanley List Price in effect at the time of order placement. All prices are subject to change without notice and are not guaranteed.

**TAXES:** List prices do not include federal, state or local taxes.

**ORDERS:** No order for Products shall be deemed to have been accepted by Stanley until written notice of its acceptance is received by the Customer from Stanley via an order acknowledgement. Stanley reserves the right, in its sole discretion, to decline to accept any order. Purchase Orders will bind Stanley only to the extent accepted by Stanley's written confirmation or delivery.

Stanley will attempt to fill orders in the order in which they are received, subject to prior orders. However, Stanley reserves the right to allocate orders or fill an order or orders ahead of prior orders, if, in its judgment, the facts warrant such a change.

Any additional provisions in a Purchase Order, including any pre-printed terms, shall be void and not binding on Stanley, unless expressly accepted by Stanley. For greater certainty, the acceptance by Stanley of a Purchase Order shall not be deemed acceptance of the additional terms of such Purchase Order.

Stanley will accept orders via phone, email, fax or courier. Stanley will send out an order acknowledgement for all orders received via email, phone or fax.

Note: Receipt or possession of this price catalog does not grant approval to quote or purchase Stanley products. Please contact your Stanley Sales Representative for further details.

**KEYING SYSTEM ORDERS:** All orders of keying systems specifying delayed fulfillment must be fulfilled within twelve (12) months of the order date. Said request for fulfillment must include complete keying instructions for the order to be acknowledged with an estimated delivery date. Failure to properly request fulfillment of the order within twelve (12) months of the order date will make the order void and nonrefundable.

**SPECIAL ORDERS:** Any modification to a standard product configuration is considered a special order. No credits will be issued for returned special orders unless authorized by Stanley Customer Service.

**INCOMPLETE ORDERS:** An incomplete order is one that is not fully specified according to the appropriate nomenclature required for that product. Any incomplete order will not be entered and will be referred to the appropriate Stanley Sales Representative for resolution.

**SAMPLES:** Please contact your local Stanley Sales Representative for sample requests.

**MINIMUM CHARGE:** The expense of handling an order necessitates a minimum charge of \$50.00 net per invoice.

**CREDIT LIMITS:** Stanley's policy is to extend Net 30-day terms/open account combined with a credit line based on financial capacity. For all accounts Stanley requires a Credit Application and Sales Tax Exempt Certificate (if applicable). Stanley evaluates traditional sources of credit information: D&B, trade and bank references, financial information, and business plans. The supply of credit herein shall be at the discretion of Stanley. If available information and/or financial circumstances will not support open accounts terms, Stanley offers Cash in Advance and Credit Card (MasterCard or VISA) terms. Stanley performs periodic reviews of credit lines and terms of payment and may request updated financial information.

Stanley reserves the right to withhold delivery of Product if Customer does not meet Stanley's credit requirements for the amount of Product ordered, or the amount of Product which remains unpaid (whether or not overdue) exceeds the limit established by Stanley for Customer. Customer shall provide, at Stanley's request, an acceptable letter of credit or guarantee or security in a form and amount determined by Stanley.

If Customer shall become overdue on its account or otherwise defaults in any payment to Stanley or if its financial condition shall at any time appear inadequate to warranty further shipment on an open account basis, Stanley shall have the right, without liability, to refuse to accept any or all orders, to cancel any and all orders, to delay shipments, or to require advance payment before accepting or shipping any orders. All orders and all shipments are subject to approval by the Stanley Credit Department.

**PAYMENT TERMS:** Stanley standard payment terms are 2% 15, net 30 days from date of invoice.

Effective September 28, 2014, a \$45.00 convenience fee will apply to all payments made by Credit Card towards open invoices on your account. You may choose to pay by credit card by reaching out to your Credit Analyst directly in order to process payment. You can avoid paying the \$45.00 convenience fee by enrolling and paying open invoices via Billtrust Invoice Gateway (<https://secure.billtrust.com/stanleymechnical/ig/signin>) with an ACH Payment (bank transfer from checking or savings account) free of charge. Payments by check, or money order should continue to be sent directly to the remit-to address noted on invoices.

Stanley shall be entitled to charge and Customer shall pay interest on overdue invoices at the rate of two percent (2%) per month calculated from the date of the invoice to the date of payment, including any attorney fees incurred by Stanley resulting from the collection of such overdue payment. Customer shall pay all sums owing to Stanley without any deduction or abatement and Customer shall have no right of set-off.

In the event that Customer disputes any portion of the payment due, Customer shall be obligated to pay the balance which is not the subject of dispute.

Without limiting any other rights it may have under these terms of sale and applicable law, all of Stanley's obligations under this Agreement, including obligations of supply, or any Purchase Order, can be suspended or cancelled should Customer be delinquent in making payment for previously shipped Products.
