

STANLEY®

AccessPro®

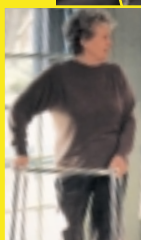

IT OPENS, CLOSES & SECURES SWING DOORS...

AUTOMATICALLY...

FOR YOU.

- IN & OUT WITH JUST A CLICK
- DOOR UNLOCKS AND OPENS
- DOOR CLOSES AND RELOCKS
- SIMPLE, SAFE, CONVENIENT
- EASY TO INSTALL ON EXISTING DOORS
- REMODEL OR NEW CONSTRUCTION

Stanley AccessPro provides door automation to new, remodel or existing manual swing doors.

Keyless entry opens the door remotely leaving your arms free to carry packages or... just the remote control.

Easy to install, this personal door opening system is powered by a plug-in 120V AC adapter.

Includes an electric strike locking device for security and remote control operation.

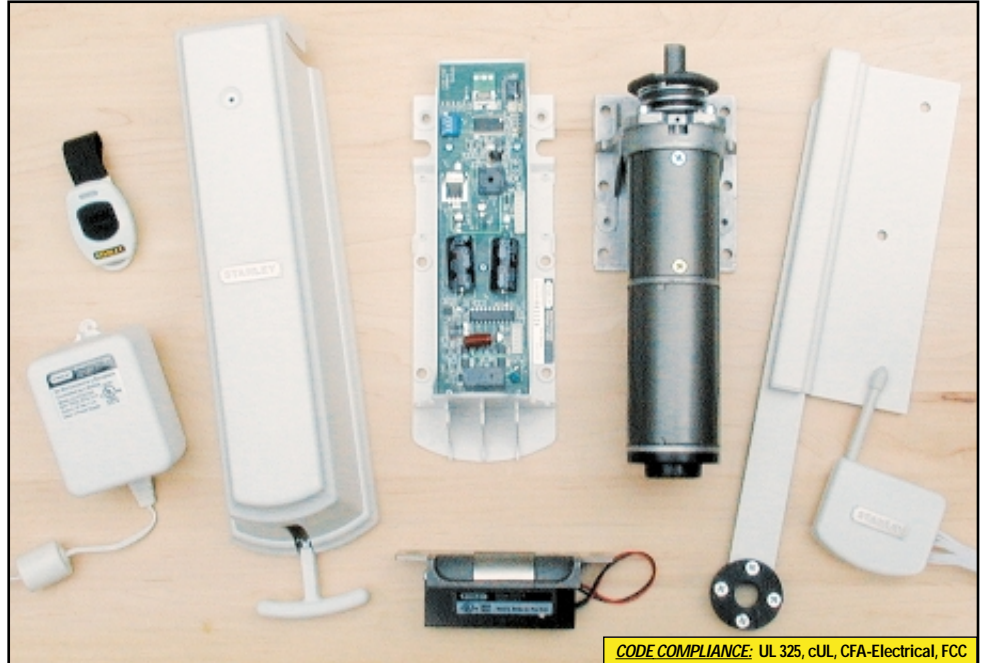

Door automation equipment doesn't interfere with keyed access and manual operation remains intact.

Affordable

Stanley Automatic Door Systems - the safest, most cost effective solutions available today.

AccessPro® Operator

Stanley AccessPro System includes:

- Motor/gearbox
- Architectural housing
- Door arm slider bracket
- Microprocessor controller
- Plug-in AC power adapter
- Remote control with velcro strap
- Radio frequency receiver
- Electric strike

Service & Installation

Rely on the Stanley expertise and experience gained from thousands and thousands of installations worldwide.

Stanley Access Technologies designs, manufactures and markets automatic door systems worldwide. For more than 70 years, we have set the global standard for smooth, quiet operation, user safety, design flexibility, quality, reliability and ease of installation. Our service force is North America's largest and most comprehensive network devoted to the installation and maintenance of automatic door systems. This network combines the global resources of Stanley with the unmatched customer responsiveness of local organizations to ensure every door we sell and install provides our customers with worry-free operation.
