## Sales Policies

**PRICES:** All previous prices are superseded by this List Price. All prices are subject to change without notice. Orders for users outside the continental United States will be by quotation from the International Department to cover any additional import duties, freight, communications, and insurance cost.

All valid orders must either be accompanied by a valid quote or be part of a current and registered buying program. If an order is received that does not meet either of these conditions, it will not be entered and will be forwarded to the local contract construction representative for resolution.

ALL PRICES WILL BE FILLED AT PRICES IN EFFECT AT THE TIME OF ORDER.

**ORDERS:** Stanley Security Solutions, Inc. (Stanley) reserves the right to decline orders in which the price or quantity of goods is not satisfactory. Stanley will not be bound to fill any orders unless or until they have been accepted at the Indianapolis office. Stanley will accept orders via phone, email, fax or courier.

**Note:** Receipt or possession of this price book does not grant approval to quote or purchase Stanley products. Please contact your Stanley sales representative for further details.

For customers who have been issued a valid quote: **THE QUOTE NUMBER AND PRICE LIST NUMBER USED MUST BE CLEARLY REFERENCED ON THE ORDER.** A \$100 service fee will be deducted from any credit issued on an order in which the quote number and proper price list number was not referenced.

**SPECIAL ORDERS:** Any modification to a standard product configuration is considered a special order. No credits will be issued for returned special orders unless authorized by Customer Service (800) 711-6814.

**PHONE ORDERS:** Accuracy of phone orders will be determined by receipt of a written confirmation or acceptance of our acknowledgment.

**SAMPLES:** Please contact your local Distribution Development Manager (DDM) for sample requests.

**CANCELLATIONS:** After orders are entered for manufacturing, cancellations cannot be accepted without our permission, and may be subject to a cancellation charge equivalent to 30% of the purchase price.

**MINIMUM CHARGE:** The expense of handling an order necessitates a minimum charge of \$50.00 net per invoice.

**TERMS:** 2% discount (15) days net 30. Stanley reserves the right to add a service charge to all invoices past due. International sales are accepted with a confirmed irrevocable letter of credit.

**DELIVERY:** We endeavor to make prompt shipment of all orders, but we shall not be held responsible for any loss or damage resulting from delay in filling orders due to causes beyond our control, including delivery of material to us.

**FREIGHT ALLOWANCES:** All shipments are F.O.B. factory via carrier we select. Goods in transit are at the risk of the buyer. Single or combined shipments including Stanley lock sets, exit devices, and door closers will be considered for free freight with orders at or above \$6,000 net (product combination must be on same purchase order). These freight terms apply only to a single destination within the contiguous United States.

**EXPORT REGULATIONS:** Purchaser agrees to conform to, and abide by, the export laws and regulations of the United States, including, but not limited to, the Export Administration Act of 1979 as amended and its implementing regulations. Diversion contrary to US laws and regulations is prohibited.

**CLAIMS:** All claims due to errors or defects must be submitted, in writing, within 30 days after receipt of goods. When Stanley is responsible, adjustments will be made.

**PROPER INSTALLATION:** Current installation instructions for any Stanley exit device product should be carefully followed for proper operation of the installed unit. If improperly installed, malfunction of the unit may result.

**BACK CHARGES:** Stanley is not responsible for, does not authorize, and will not accept any back charges for the cost of any labor or material incurred by anyone other than Stanley for any repair, service, installation or replacement unless approved with Stanley's prior written consent.

**RETURNED GOODS:** Customer has up to one (1) year from date of invoice to return goods except for warranty returns. All materials returned to Stanley, regardless of the reason, must have a correct Return Goods Authorization (RGA) number applied to the outside of the shipping carton. All goods must be returned in original packaging and be in resalable condition except for warranty returns. Transportation charges of returned goods must be prepaid by the customer. A restocking charge of 30% of the purchase price will be applied to the customer's account except for warranty returns. All goods must be returned within sixty (60) days of RGA issue date. Product not returned in saleable condition or after sixty (60) days of the RGA number issue date is subject to disposal by Stanley with no credit issued. Use fax number 888-214-1918 for returned goods authorization only.

## Warranty

### EXIT DEVICE WARRANTY

1. STANLEY SECURITY SOLUTIONS, INC. mechanical products are warranted against defects in material and workmanship for a period of **FIVE (5) YEARS** for Apex 2000 series **THREE (3) YEARS** for Reliant 5000 and Olympian series from the date of invoice.
2. STANLEY SECURITY SOLUTIONS, INC. electrical products are warranted against defects in material and workmanship for a period of **ONE (1) YEAR** from the date of invoice.
3. This warranty does not cover defects or damage arising from failure to perform normal maintenance, faulty installation, ordinary wear and tear, misuse, abuse, freight damage, application for which the product was not designed, or incorrect or improper wiring of electrical products.
4. Claims under this warranty must be made in writing to STANLEY. At its option, STANLEY will repair the defect, replace the product, or issue credit at the net value originally invoiced. STANLEY liability shall in no event exceed the net cost of the product.

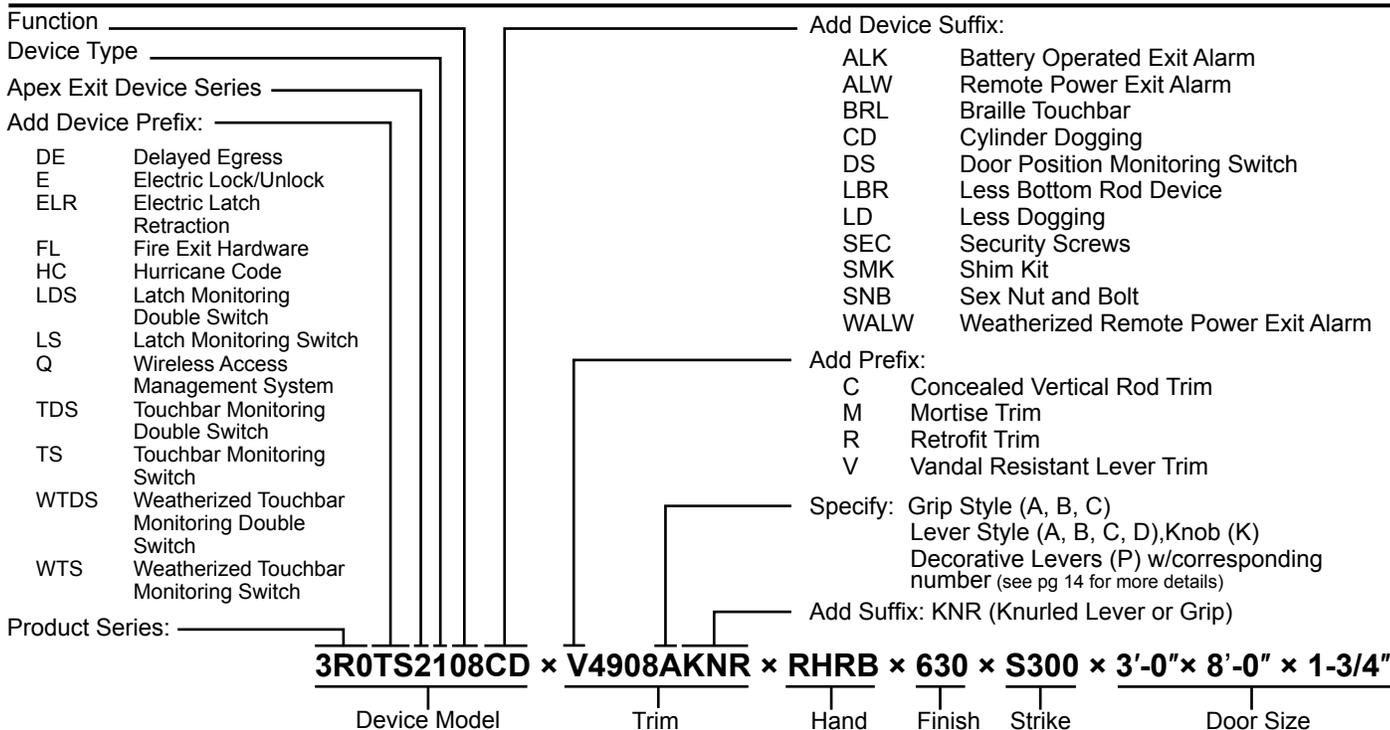

REPAIR, REPLACEMENT OR CREDIT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER. STANLEY SECURITY SOLUTIONS, INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. WE ARE NOT RESPONSIBLE FOR ANY CHARGES FOR LABOR OR MATERIALS INCURRED BY OTHERS WITHOUT OUR PRIOR WRITTEN CONSENT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

# How to Order / Finishes / General Information

## HOW TO ORDER

**DEVICE ONLY:** List quantity, device model w/function, hand, finish, strike, and door size including thickness.  
 Note: For greater exit device mounting heights, see extended bottom rods (pages 26, 27, 28 & 30)

## FINISHES

For standard finishes in each series, see individual product pages. For other finishes, consult factory.

BHMA	US	DESCRIPTION
600*	USP	Primed for Paint
605	US3	Bright Brass, Clear Coated
606	US4	Satin Brass, Clear Coated
612	US10	Satin Bronze, Clear Coated
613	US10B	Satin Bronze, Oxidized, Oil Rubbed
625	US26	Bright Chrome Plated
628	US28	Satin Aluminum, Clear Anodized
630	US32D	Satin Stainless Steel
630AM		Satin Stainless Steel with UltraShield™ Antimicrobial coating
689*	---	Aluminum Paint / Powder Coat
695*	---	Dark Bronze Paint / Powder Coat

UltraShield™ Antimicrobial finish coating option available to Apex Exit Devices & Trims. 630AM list price add \$53 Exit Devices, \$21 Trims

## SPLIT FINISHES

When split finish is specified, the finish listed first is for outside trim. To obtain proper list price, add "Device Only" price (see specific device page), to appropriate "Trim" price (page 22). \*Mullion finishes 689 & 695 finishes for Reliant series exit devices.

## DEVICES FOR DOOR WIDTHS

Stock Size for 3'-0" or 4'-0" wide door is available for all series of devices. Stock Size for 2'-0" to 2'-6" wide door is also available for Apex wide stile only. At customers request, 10 or more devices of any one door width will be cut at the factory free of charge. For factory cutting

of less than 10 devices of any one size, add \$21 list per device cutting charge.

## DOOR THICKNESS

Rim and Surface Vertical Rod exit device accommodates doors ranging from 1 3/4" – 2 1/4". Mortise and Concealed Vertical Rod exit devices accommodate 1 3/4" thick doors. For applications exceeding the door thickness referenced above, please consult Product Support. Additional charges will apply.

## FASTENERS

Furnished standard with machine screws and full thread wood/sheet metal screws. Specify Sex Nuts and Bolts "SNB" where recommended or required by the door manufacturer.

## SEX NUTS & BOLTS (Not furnished standard)

**1/4-20 Thread** – When used with top & bottom surface vertical rod latches: (Part # 02399-91 x Finish).

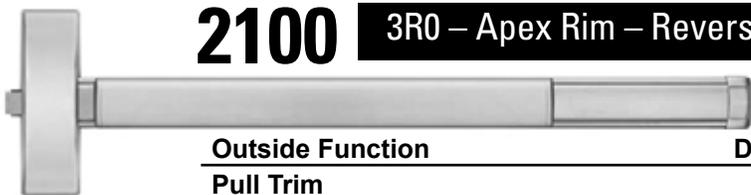

**10-24 Thread** – When used with end cap bracket, active case and rod guides: (Part # 02408-91 x Finish). If Sex Nuts and Bolts are required, see individual device pages for quantity required and pricing. To order separately, specify "SNB" × Finish. List price \$8 each.

## SECURITY SCREWS

All exposed screws will be Torx® pin tamper resistant machine screws. Specify "SEC" Security Screws. If Security Screws are specified see individual device pages for the price.

---	-----	-----

- **Lever Trims are shipped handed. Specify Hand.**
- 626 Trim is furnished for 628 and 630 Devices.
- 2900 Series Trims are available for Apex Narrow Stile only.
- Knurled Knob/Lever, Grip "KNR" add \$72

**C03**

Cast Plate  
"Pull by others"

- Specify No. C03 Cylinder Attachment Trim for 2803 Device when Pull by Others is specified.
- Available in 605, 606, 612, 613, and 625 finishes.
- Add \$167 to the price of the device.

**How to Order:**

**Style:** 17, 20, 49, 29

**Prefix** designates:

- "C" Concealed Vertical Rod Trim
- "M" Mortise Trim
- "R" Retrofit Trim
- "V" Vandal Resistant (4908 Lever Trim only)
- "Y" Olympian Trim

**Product Series**

**Function**

**Specify:** Grip Design (A,B,C)  
Lever or Knob Design (A,B,C,D,K)  
Decorative Levers (P) w/corresponding number

**Suffix:** "KNR" Knurled Lever or Grip

**3R0V4908AKNR × RHRB × 630 × 1-3/4"**

Trim No.

Hand

Finish

Door Thickness

**Notes:**

- UltraShield™ Antimicrobial finish coating option available to Apex Exit Devices & Trims. 630AM list price add \$53 Exit Devices, \$21 Trims
- For pricing on trims for the 5100 and 5200 series devices, see pages 14 and 15.
- Price does not include cylinder. If cylinder is required please see cylinders on page 22.
- Trims with "M" prefix require 1-1/4" Mortise Type Cylinder. (page 22)
- 2900 Series Trim - Rim Type Cylinder for "03" function and Mortise Type Cylinder for "08" function, not furnished standard. Use 1-1/4" long standard Mortise Cylinder. Specify when required.
- All other Trims require Rim Type Cylinder .
- Trim No. with prefix "Y" is for Olympian Device only.
- **No extra charge** for different Lever or Grip styles. A Lever/Grip Standard.

## Mullions and Strikes

Description	Product No.	Primer 600	Aluminum 689 or Dark Bronze 695
<b>Complete Mullion Assemblies</b>			
<b>Removable Mullion - 2"×2" × 8'-0"</b>			
Standard	811	417	492
<b>Removable Mullion - 2"×3" × 8'-0"</b>			
Standard	822	531	606

## Accessories

Series	Description	Product No.	628	606, 612 613, 630	605 625
<b>RIGID DUMMY TOUCHBAR</b>					
Apex	Wide Stile Rigid	671DR-3, 671DR-4	540	682	789
	Narrow Stile Rigid	N673DR-3, N673DR-4			
<b>ACTIVE DUMMY TOUCHBAR with Micro Switch</b>					
Apex	Wide Stile Active	TS672DA-3, TS672DA-4	918	930	1042
	Narrow Stile Active	TSN674DA-3, TSN674DA-4			
<b>OPTIONS FOR ACTIVE DUMMY TOUCHBAR</b>					<b>Add</b>
ALK	Exit Alarm: battery operated kit (9V battery included)				529
ALW	Exit Alarm: remote power kit (12 or 24 VDC)				529
CD	Cylinder Dogging: 1-1/4" Mortise Cylinder not included				78
DS	Door Position Monitoring Switch				109
TDS	Touchbar Monitoring Double Switch				277

Series	Description	Product No.	ALL FINISHES
<b>MORTISE LOCK - HANDED</b>			
Apex & Olympian	Functions 01, 02, 03	M303, M303F	531
	Functions 05, 08, 14, 15	M308, M308F	
	Functions 10	M310, M310F	

- For Electric Mortise Lock see page 24.
- 1-1/4" mortise cylinder not included. If cylinder is required please see cylinders below.
- Lock front furnished beveled.
- Available in 605, 606, 612, 613, 625, 630 Finishes.
- When ordering specify: model no., hand and finish.  
(e.g. M303 × RHRB × 630)

### FIRE BOLT ASSEMBLY

Apex & Olympian	Fire Bolt Assembly	FB277	129
-----------------	--------------------	-------	-----

### TRANSOM BRACKET

Apex & Olympian	Transom Bracket	TMB453	53 (Use Strike No. S300, see pg 22)
-----------------	-----------------	--------	--

### TOOLS

All Devices	7/32" Dogging Key	DK220	14
	5/32" Hex Wrench*	HW996	
* Hex Wrench for crossbar plugs and mortise active case.			

### CYLINDERS

**Note:** Rim and mortise cylinders ( housings) as well as interchangeable cores are available from our BEST product line. Please ask your local Stanley Security Solutions sales representative about the many options available to fit your specific requirements including patented keying systems such as BEST CORMAX™.

## Electrical Products

Description	Product No.	
<b>POWER SUPPLY - SERIES ELR150 (required for ELR Devices)</b>		
Power Supply including (1) control module for (1) device	ELR151	614
Power Supply including (2) control modules for (2) devices	ELR152	840
Power Supply including (3) control modules for (3) devices	ELR153	1068
Power Supply including (4) control modules for (4) devices	ELR154	1295
Power Supply, no control modules	ELR150	389
<b>CONTROL MODULE</b>		
Control Module card (on/off adjustable Time Delay standard)	CM150-08	227
<b>BATTERY BACK-UP</b>		
Battery Back-up card (batteries not included)	BT150-07	418
<b>POWER SUPPLY - SERIES PS160-6 (required for DE Devices)</b>		
Power Supply (6 amp) operates up to (4) DE Devices (wire run permitting)	PS160-6	638

CONVERSION KITS	Product No.	
<b>ELECTRIC LATCH RETRACTION*</b>		
For 3'-0", 4'-0" Apex Wide Stile Device	ELRK-3, ELRK-4 ELRKF-3, ELRKF-4	770
For 3'-0", 4'-0" Apex Narrow Stile Device	NELRK-3, NELRK-4, NELRKF-3, NELRKF-4	770

• ELR Conversion Kits are ONLY available for Apex 2000 Series Devices.  
 \* Requires PHI ELR150 Power Supply (see above).

<b>MONITORING</b>			
All Apex Devices	Touchbar Monitoring Switch	TSK309	219
All Apex Devices	Touchbar Monitoring	TDSK310	266
Apex Wide Rim Device Only	Double Switch	LSRK298	219
Apex Wide Rim Device Only	Latchbolt Monitoring Switch	LDSRK299	266
Apex Wide Rim Device Only	Double Switch	LSVK910	219
Apex Wide SVR or CVR Devices Only	Latchbolt Monitoring Switch	LSVK910	219

<b>Q OPTION RETROFIT KITS</b>			
Wireless Access Management System			
	QSRK5267 – 2103 Rim		
	QSVK5268 – 2203 and 2703		446
	Surface and Concealed Vertical Rod		
<b>NOTE:</b> For additional product details see Apex 2000 series catalog section.			
• Latchbolt Monitoring for Apex Mortise Devices, specify LSM303 or LSM308 Electric Mortise Lock, see page 24.			

<b>ELECTRIC RIM DEVICE</b>			
2103, FL2103 Rim Devices	Electric Lock/Unlock Outside Trim	E2103K	511

## Electrical Products - (continued)

Description	Product No.	All Finishes
<b>ELECTRIC MORTISE LOCK</b>		
Latchbolt monitoring, "03" Function	LSM303, LSM303F	738
Latchbolt monitoring, "08" Function	LSM308, LSM308F	
Electric lock/unlock with switch to monitor outside trim (locked/unlocked)	EM303, EM303F	1031
Electric lock/unlock with switches to monitor the outside trim (locked or unlocked) and to monitor the latchbolt	LSEM303, LSEM303F	1077

**Notes:**

- Fail Secure "FSE" is furnished standard. When Fail Safe is required specify "FS".
- Electric lock/unlock 24V DC only.
- Price does not include 1-1/4" mortise cylinder. If cylinder is required please see cylinders on page 22.
- Lock front furnished beveled.
- When ordering specify: model no., Fail Safe/Fail Secure, hand and finish. (e.g. EM303 × FS × RHRB × 630)

Device Series	Description	Device Size	Kit No.	All Finishes
<b>EXIT ALARM KIT</b>				
Apex Wide Stile	Battery Operated*	3'-0"	ALK-3	509
		4'-0"	ALK-4

## Sales Policies

**PRICES:** All previous prices are superseded by this List Price. All prices are subject to change without notice. Orders for users outside the continental United States will be by quotation from the International Department to cover any additional import duties, freight, communications, and insurance cost.

All valid orders must either be accompanied by a valid quote or be part of a current and registered buying program. If an order is received that does not meet either of these conditions, it will not be entered and will be forwarded to the local contract construction representative for resolution.

ALL ORDERS WILL BE FILLED AT PRICES IN EFFECT AT THE TIME OF ORDER.

**ORDERS:** Stanley Security Solutions, Inc (Stanley) reserves the right to decline orders in which the price or quantity of goods is not satisfactory. Stanley will not be bound to fill any orders unless or until they have been accepted at the Indianapolis office. Stanley will accept orders via phone, email, fax or courier.

**Note:** Receipt or possession of this price book does not grant approval to quote or purchase Stanley products. Please contact your Stanley sales representative for further details.

For customers who have been issued a valid quote: **THE QUOTE NUMBER AND PRICE LIST NUMBER USED MUST BE CLEARLY REFERENCED ON THE ORDER.** A \$100 service fee will be deducted from any credit issued on an order in which the quote number and proper price list number was not referenced.

**SPECIAL ORDERS:** Any modification to a standard product configuration is considered a special order. No credits will be issued for returned special orders unless authorized by Customer Service (800) 711-6814.

**PHONE ORDERS:** Accuracy of phone orders will be determined by receipt of a written confirmation or acceptance of our acknowledgment.

**SAMPLES:** Please contact your local Stanley Distribution Development Manager (DDM) for sample requests.

**CANCELLATIONS:** After orders are entered for manufacturing, cancellations cannot be accepted without our permission, and may be subject to a cancellation charge equivalent to 30% of the purchase price.

**MINIMUM CHARGE:** The expense of handling an order necessitates a minimum charge of \$50.00 net per invoice.

**TERMS:** 2% discount (15) days net 30. Stanley reserves the right to add a service charge to all invoices past due. International sales are accepted with a confirmed irrevocable letter of credit.

**DELIVERY:** We endeavor to make prompt shipment of all orders, but we shall not be held responsible for any loss or damage resulting from delay in filling orders due to causes beyond our control, including delivery of material to us.

**FREIGHT ALLOWANCES:** All shipments are F.O.B. factory via carrier we select. Goods in transit are at the risk of the buyer. Single or combined shipments including Stanley lock sets, exit devices, and door closers will be considered for free freight with orders at or above \$6,000 net (product combination must be on same purchase order). These freight terms apply only to a single destination within the contiguous United States.

**EXPORT REGULATIONS:** Purchaser agrees to conform to, and abide by, the export laws and regulations of the United States, including, but not limited to, the Export Administration Act of 1979 as amended and its implementing regulations. Diversion contrary to US laws and regulations is prohibited.

**CLAIMS:** All claims due to errors or defects must be submitted, in writing, within 30 days after receipt of goods. When Stanley is responsible, adjustments will be made.

**PROPER INSTALLATION:** Current installation instructions for any Stanley exit device product should be carefully followed for proper operation of the installed unit. If improperly installed, malfunction of the unit may result.

**BACK CHARGES:** Stanley is not responsible for, does not authorize, and will not accept any back charges for the cost of any labor or material incurred by anyone other than Stanley for any repair, service, installation or replacement unless approved with Stanley's prior written consent.

**RETURNED GOODS:** Customer has up to one (1) year from date of invoice to return goods except for warranty returns. All materials returned to Stanley, regardless of the reason, must have a correct Return Goods Authorization (RGA) number applied to the outside of the shipping carton. All goods must be returned in original packaging and be in resalable condition except for warranty returns. Transportation charges of returned goods must be prepaid by the customer. A re-stocking charge of 30% of the purchase price will be applied to the customer's account except for warranty returns. All goods must be returned within sixty (60) days of RGA issue date. Product not returned in saleable condition or after sixty (60) days of the RGA number issue date is subject to disposal by Stanley with no credit issued. Use fax number 888-214-1918 for returned goods authorization only.

## Warranty

1. STANLEY SECURITY SOLUTIONS, INC. mechanical products are warranted against defects in material and workmanship for a period of **TEN (10) YEARS** from the date of invoice. The D-4550EH, and D-4990 product is warranted against defects in material and workmanship for a period of **TWO (2) YEARS** from the date of invoice.

2 STANLEY SECURITY SOLUTIONS, INC. electrical products are warranted against defects in material and workmanship for a period of **ONE (1) YEAR** from the date of invoice.

3 This warranty does not cover defects or damage arising from failure to perform normal maintenance, faulty installation, ordinary wear and tear, misuse, abuse, freight damage, application for which the product was not designed, or incorrect or improper wiring of electrical products.

4 Claims under this warranty must be made in writing to STANLEY. At its option, STANLEY will repair the defect, replace the product, or issue credit at the net value originally invoiced. STANLEY liability shall in no event exceed the net cost of the product.

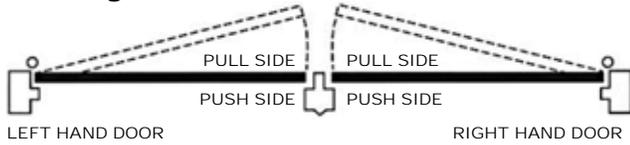

REPAIR, REPLACEMENT OR CREDIT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CONSUMER STANLEY SECURITY SOLUTIONS, INC. SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. WE ARE NOT RESPONSIBLE FOR ANY CHARGES FOR LABOR OR MATERIALS INCURRED BY OTHERS WITHOUT OUR PRIOR WRITTEN CONSENT.

Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

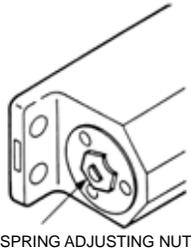

## General Information

### Handing

### Closing Power Adjustment

Closers with spring power adjustment to size (6) are set at size (3) before leaving the factory. Closers with spring power adjustment from 1-4 are set at size (2) before leaving the factory.

### Interchangeable Arms

All D-3550/D-3551 and D-4550/D-4551 Series arms are interchangeable.

### Thru Bolts and Sex Nuts

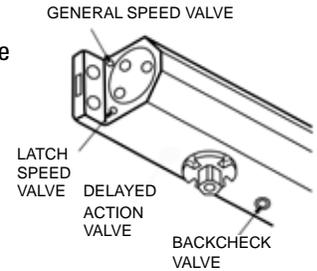

When thru bolting is ordered, factory will furnish sex nuts for use with the machine screws furnished with the closer. Nuts are sized to accommodate 1-3/4" thick doors. D-4550, D-3550 – 12/24 thread \$1.25 each. D-1610 – 10/32 thread \$1.25

### Security Screws

All mounting screws will be Torx pin tamper resistant machine screws. Available for Heavy Duty Arm applications only Specify SEC Security Screws.

### Delayed Action

A delayed action feature is available with this series for all applications and arms. The feature permits the door to close very slowly through the delayed action cycle range. To order, suffix DA to closer number.

**Advanced Variable Backcheck (AVB)** optional Cylinder starts backcheck at approximately 45° instead of the normal 75°. Add suffix "AVB" to selected cylinder. When combined with Delayed Action consult factory for special template (Heavy Duty Arm applications).

### Packing

All surface mounted closers with standard arm sets are packed for mounting on regular, parallel arm or top jamb applications. D-1610 Series are packaged (6) closers per case. D-4550/D-3550 are packaged (4) closers per case. D-4550EH are packaged individually.

### ANSI and UL Specifications

The Stanley door closers D-1610, D-3550, D-4550 Series meet the requirements of the ANSI/BHMA Standard A156.4 – 2000 Grade 1. Underwriters' Laboratories and Underwriters' Laboratories of Canada Listing. "For Self-Closing Doors Without Hold-Open feature" on R7551®.

Stanley Security Solutions, Inc. reserves the right to make changes in designs and specifications or to make additions or improvements to its products without notice and without incurring any obligation to incorporate them on products previously manufactured.

## Sales Policy

**PRICES:** All previous prices are superseded by this List Price. All prices are subject to change without notice. Complete prices for all key operated locks include a combined core and one operating key. Orders for users outside the continental United States will be by quotation from the International Department to cover any additional import duties, freight, communications, and insurance cost.

**ORDERS:** Stanley Security Solutions, Inc (Stanley) reserves the right to decline orders in which the price or quantity of goods is not satisfactory. Stanley will not be bound to fill any orders unless or until they have been accepted at the Indianapolis office. Stanley will accept orders via phone, email, fax or courier.

**Note:** Receipt or possession of this price book does not grant approval to quote or purchase Stanley products. Please contact your Stanley sales representative for further details.

**SPECIAL ORDERS:** Any modification to a standard product configuration is considered a special order. No credits will be issued for returned special orders unless authorized by Customer Service (800) 711-6814.

**PHONE ORDERS:** Accuracy of phone orders will be determined by receipt of a written confirmation or acceptance of our acknowledgment.

**INCOMPLETE ORDER:** An incomplete order is one that is not fully specified according to the appropriate nomenclature required for that product. Any incomplete order will not be entered and will be referred to the appropriate Stanley Sales Representative for resolution.

**Hardware schedule:** A hardware schedule is a listing of all builders hardware items related to a particular construction job. It is approved by the architect, then submitted to dealers, bidders, and contractors. An acceptable hardware schedule of BEST products is one in which the material ordered is compatible for installation as required in the schedule.

**SAMPLES:** Please contact your local Stanley Distribution Development Manager (DDM) for sample requests.

**CANCELLATIONS:** After orders are entered for manufacturing, cancellations cannot be accepted without our permission, and may be subject to a cancellation charge equivalent to 30% of the purchased price.

**MINIMUM CHARGE:** The expense of handling an order necessitates a minimum charge of \$50.00 net per invoice.

**TERMS:** 2% discount (15) days net 30. Stanley reserves the right to add a service charge to all invoices past due. International sales are accepted with a confirmed irrevocable letter of credit.

**DELIVERY:** We endeavor to make prompt shipment of all orders, but we shall not be held responsible for any loss or damage resulting from delay in filling orders due to causes beyond our control, including delivery of material to us.

ALL ORDERS WILL BE FILLED AT PRICES IN EFFECT AT THE TIME OF ORDER.

**FREIGHT ALLOWANCES:** All shipments are F.O.B. factory via carrier Stanley selects. Goods in transit are at the risk of the buyer. Single or combined shipments including Stanley lock sets, exit devices, and door closers will be considered for free freight with orders at or above \$6,000 net (product combination must be on same purchase order). These freight terms apply only to a single destination within the contiguous United States.

**MASTERKEYING:** Stanley Masterkey Policies and Services can be found at [www.bestaccess.com](http://www.bestaccess.com).

**EXPORT REGULATIONS:** Purchaser agrees to conform to, and abide by, the export laws and regulations of the United States, including, but not limited to, the Export Administration Act of 1979 as amended and its implementing regulations. Diversion contrary to US laws and regulations is prohibited.

**CLAIMS:** All claims due to errors or defects must be submitted, in writing, within 30 days after receipt of goods. When Stanley is responsible, adjustments will be made.

**Sales Policy (continued)**

**PROPER INSTALLATION:** Current installation instructions for any BEST product should be carefully followed for proper operation of the installed unit. If improperly installed, malfunction of the unit may result.

**BACK CHARGES:** Stanley is not responsible for, does not authorize, and will not accept any back charges for the cost of any labor or material incurred by anyone other than Stanley for any repair, service, installation or replacement unless approved with Stanley's prior written consent.

**RETURNED GOODS:** All materials returned to Stanley for any reason, must have a correct Return Goods Authorization (RGA) number applied to the outside of the shipping carton. A re-stocking charge of 30% of the purchase price will be applied to the customer's account. Transportation charges of returned goods must be prepaid by the customer. All goods must be returned within 60 days of RGA issue date. All goods must be returned in original packaging and be in resalable condition. Product not returned in saleable condition is subject to disposal by Stanley with no credit issued. Use fax number 888-214-1918 for returned goods authorization only.

**Warranty****LIMITED WARRANTY**

Except as otherwise provided below, STANLEY warrants that all Products manufactured by STANLEY and sold under its trade names "Omnilock" are free of defects in materials, workmanship and operation, normal wear and tear excepted, for a period of one (1) year from the date of sale to the original purchaser. The liability of STANLEY under this warranty is limited to the repair or replacement of any Product covered by the warranty. Written notice of a claim under this warranty should be mailed to STANLEY SECURITY SOLUTIONS, P.O. Box 50444, Indianapolis, IN 46250. The notice should include information as to the identity of the Product and its defect along with a customer contact name, company name, address, and phone number. STANLEY will then provide shipping directions, with all shipping charges prepaid by you. STANLEY will then cause the Product to be examined and, if found defective and covered under this warranty, will repair or replace said Product at the sole discretion of STANLEY. Warranty service shall only be provided in the United States.

**Software**

Omnilock OM/OP2000 Software and Omnilock WAMS

Software Warranty - STANLEY warrants that all CD ROM and software keys shall be free from defects in material and workmanship and will function in substantial accordance to the specifications for a period of one (1) year from the date of installation.

Specific Limitations of Omnilock OM/OP2000 Software and Omnilock WAMS Software Warranty

The warranty for all Omnilock OM/OP2000 Software and Omnilock WAMS Software Warranty Products does not cover, free-of-charge, any post-sales technical support during the warranty under the following circumstances:

- Calls from sub-contractors not authorized by STANLEY
- Problems caused by misuse of software or hardware.
- Failure to provide a network connection or site phone line for a modem connection, if deemed necessary by STANLEY.
- Technical support for third party software or hardware products.
- Technical support for network software products.

**GENERAL LIMITATIONS OF WARRANTY**

This warranty specifically excludes, and STANLEY shall not be held responsible for, damage caused by Product malfunction or failure attributable to acts of God, improper use or installation, poor or no maintenance, work performed by other than an Authorized STANLEY technician; failure to follow STANLEY's operating instructions or environmental specifications, modification, vandalism, shipping and/or handling, improper storage, accident, abuse or any other cause not within the control of STANLEY other than ordinary wear and tear.

STANLEY provides no warranty or guarantee that its cores and/or cylinders will function properly or be mechanically compatible with products not manufactured by STANLEY.

**STANLEY**  
**OMNILOCK®**

## Warranty

### THIRD PARTY WARRANTY

Except as otherwise provided above, STANLEY makes no warranty, express or implied, with regard to third party hardware or software and expressly disclaims the implied warranties or conditions of merchantability or , merchantable quality, fitness for a particular purpose, title, infringement and those arising by statute or otherwise in law. Customer's sole recourse for warranty claims is with the manufacturer of the Product. However, STANLEY agrees to pass through any third party warranty that STANLEY receives from the manufacturer of the Products to buyer. The extent of any third party warranty details, terms and conditions, remedies and procedures may be expressly stated on, or packaged with, or otherwise accompanying the Products.

EXCEPT AS SET FORTH HEREIN, STANLEY MAKES NO WARRANTIES, EXPRESSED OR IMPLIED, AND BUYER ACKNOWLEDGES THAT NO REPRESENTATIONS, WARRANTIES, PROMISES OR STATEMENTS HAVE BEEN MADE BY STANLEY, WITH RESPECT TO THIS PRODUCT,

OR ANY PART OR PORTION THEREOF. IN ADDITION, STANLEY MAKES NO WARRANTY OF MERCHANTABILITY OF THIS PRODUCT OR ANY PART OR PORTION THEREOF, FOR ANY PURPOSE, NOR ANY WARRANTY WHICH EXTENDS BEYOND THE DESCRIPTION ON THE FACE HEREOF. STANLEY SHALL NOT, IN ANY EVENT, BE LIABLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES SUFFERED BY BUYER OR ANYONE CLAIMING BY, THROUGH OR UNDER BUYER, AS A RESULT OF THE CONDITION OF THIS PRODUCT, OR ANY PART OR PORTION THEREOF, AND THERE ARE NO ORAL OR WRITTEN UNDERTAKINGS OR AGREEMENTS OF ANY TYPE PROVIDED BY STANLEY EXCEPT AS EXPRESSLY SET FORTH HEREIN. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR PROHIBIT THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION AND EXCLUSIONS MAY NOT APPLY IN YOUR STATE

- Lifetime Mechanical Warranty
- 3 Year Finish Warranty
- 1 Year Electrical Warranty

This product comes with a ***lifetime mechanical warranty*** and a ***three year finish warranty*** to the original user of the K2 Hardware product against defects in material and workmanship as long as the original user occupies/manages the premises upon which the product was originally installed. The warranty DOES NOT COVER scratches; abrasions; deterioration due to the use of paints, solvents and other chemicals; abuse; or misuse, and DOES NOT COVER US10B/613 "Oil Rubbed Bronze" finish as it is a "Living Finish" and a change in appearance is the natural characteristics of the finish. This warranty DOES NOT COVER defects caused by improper installation or field modification. This warranty DOES NOT COVER the cost incurred in removing and installing a replacement product. Upon return of a defective product, K2 may repair or replace the product or refund the purchase price. K2 is not liable for incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so this may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state. If a mechanical or finish defect occurs, please call 866-590-2094 or return it to K2 at:

QCI285 - Indicator Interconnect

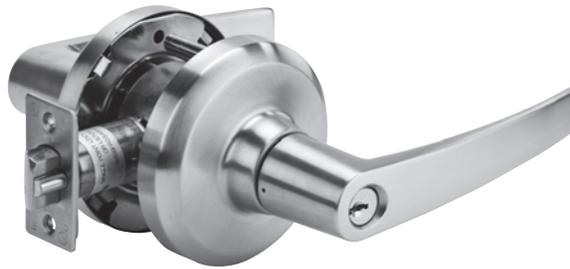

*QCI285 - Indicator Interconnect*

The QCI285 visual indicator is an exciting new option for the QCI200 series Grade 2 cylindrical interconnect platform. This product addresses the market need for a single motion egress with the addition of a locking indicator. The indicator clearly displays whether the deadbolt is in a locked or unlocked position. It allows an emergency key to be used in the event entry is necessary from the outside.

### Slate Lever

*Slate Lever*

The introduction of the stylish and modern slate lever to the K2 product family further expands the style options in the mortise, cylindrical, tubular and interconnect platforms. This new style is a great option when a lever return is not required.

### Additional New Items

- QRM100/300 Series Mullions
- Windstorm/Miami Dade Certified Products (HC)
- G1 & G2 Cylindrical corridor functions (QCL154/155 and QCL254/255)

K2 Commercial Hardware by Stanley Black & Decker offers the finest in security, quality, styling & customer service to designers, architects and builders.

The K2 product line includes locksets, auxiliary deadbolts, exit devices & door closers to meet all your commercial hardware needs.

K2 has one goal in mind—to be known as the brand that is easy to do business with. K2’s industry-leading frontline and support teams will make doing business easy in every respect—from products that make K2 the logical choice for architects, designers & builders, to a support system staffed by people who care.

### Website

K2’s best in class web site has been designed from the ground up with you in mind, and features unsurpassed ease-of-use, quick links to important information, and features like these to help make your job easier:

General Features:

- Full product line with supporting image library
- Competitive cross reference
- Electronic versions of all literature

Customer Specific Features:

- Password protected
- Access to customer and technical support

Visit now and experience K2 online. Just another way we’re easy to do business with.

[www.k2commercialhardware.com](http://www.k2commercialhardware.com)

### Packaging

Packaging designed with the customer in mind.

- Compartmentalized packaging allows for quick & easy installation
- Improved productivity for the installer—installation completed more rapidly than the competition
- Increased quality control with all the parts being visible

Fax: 1-877-835-1030

All sales are made by K2 only upon the following terms, conditions and submission of a written purchase order. Any additional or different terms or conditions set forth in any purchase order or similar communication are hereby rejected and shall not be binding or effective unless expressly assented to in writing by an authorized representative of K2.

## 1. PRICES

A. All prices are subject to change without notice and are not guaranteed. All orders will be shipped at prices in effect at time of shipment.

B. Prices stated do not include any sales, use or excise tax or any other tax, duty or charge which is now in effect or may be hereafter imposed by any Federal, State or other authority. All such taxes, duties or other charges shall be paid by customer unless the customer shall provide to us an exemption certificate acceptable to the appropriate authorities.

## 2. FREIGHT

A. All goods are invoiced FOB shipping point and responsibility will not be accepted for damages or pilferage. These claims should be submitted with proper documents to the delivering carrier.

B. **K2's standard policy is to pay freight charges on all orders \$3,000 list price or above** (accessories/parts: 300 lbs.) to a single destination in the continental U.S., by carrier and route of our choice. Shipments less than these quantities will not be shipped on a prepaid basis. Please see weight & measurements in the index of this price book.

C. Product is shipped by the carrier of our choice. If higher freight charges are incurred from customers specifying a carrier of route or their choice the additional cost will be added to that customer's invoice.

## 3. TERMS

Terms are 2% prompt payment discount for payment within 15 days from date of invoice, net 30 days from date of invoice.

## 4. ORDERS AND ACKNOWLEDGMENTS

A. The Company reserves the right to refuse orders which may be submitted without pricing or attached quote and all required information. Exception is made if K2 has on file the customer's written approval allowing K2 to process orders and refrain from short paying invoices because of any pricing discrepancies.

B. Acknowledgments are copies of your orders and should be checked by you. If something does not agree with your understanding, we should be notified at once.

C. If our customer shall become overdue on its account or otherwise defaults in any payment to us or if its financial condition shall at any time seem to us otherwise inadequate to warrant further shipment on an open account basis, we shall have the right, without liability, to refuse to accept any or all orders, to cancel any and all orders, to delay shipments to the customer, or to require advance payment before accepting or shipping any orders. All orders and all shipments are subject to approval by our Credit Department.

D. ALL SALES ARE FINAL.

## 5. ORDER CHANGES

Any changes made to special order items that occur 3 days or more after the order entry date will carry a longer lead time and may be charged a handling fee. The customer will be given the option of having the entire order shipped at a later date or the changed items shipped freight collect with the same discount as the original order.

## 6. MINIMUM CHARGES

Due to the expense involved in the entering, handling and charging for orders of low value, no invoice will be priced for less than \$50.00 net plus shipping charges, except for accessory parts.

### 7. SHIPMENTS

A. Upon delivery of shipments to the carrier, title to, and the risk of loss or damage in transit for, such shipments passes to our customer.

B. Orders will be filled to the extent of our stock on hand and any balance forwarded as soon as possible.

C. Shipping schedules are estimates only which cannot be guaranteed because of the nature of our products and material, labor and manufacturing conditions beyond our reasonable control. Under no circumstances shall we be responsible for any inability or delay in meeting shipping schedules or for any loss or damage (whether direct or consequential) resulting there from.

D. All goods are packed in quantities which our experience has shown to be the most convenient and suitable.

### 8. CLAIMS

Claims on prices must be submitted within thirty days from date of invoice. Price claims must be submitted in writing to: K2 Commercial Hardware, 6161 E. 75th Street, Indianapolis, IN 46250. Attn: Credit department.

### 9. RETURNED GOODS

No products may be returned without our prior written authorization. If a product return is authorized, our representative will provide you with a Return Goods Authorization form (RGA) for the returnable products. The RGA form must accompany the shipment of the returned products to us. If products were defective or were shipped in error a credit at the invoice price will be issued or replacement products will be shipped only after a thorough inspection of the returned products has been made by our representative and such inspection confirms that the products were defective or shipped in error. Please return defective products in their original packaging. We have no obligation to agree to the return of non-defective products properly shipped. If, in our discretion, we agree to the return of non-defective, properly shipped products: (a) you will be issued a credit based on the price in effect when the products are returned or at the invoice price, whichever is lower, less the cost of return freight; (b) we may apply a 30% restocking charge; and (c) returned products must be in their original package (master carton).

### 10. CANCELLATIONS

Cancellations will not be accepted on goods that are not regular stock (special order), which are in the process of being manufactured, or ready for shipment.

### 11. MATERIAL AND FINISHES

A. Specifications, weights, dimensions and descriptions are actual or careful estimates but are not guaranteed and are subject to change without notice.

B. We reserve the right to furnish materially equivalent substitutes for materials which cannot be obtained in sufficient quantities due to existing shortages.

C. Although we apply the finest protective coatings available to the plated surface of our products, brass, bronze, and other antique finishes have their limitations, and in time the protective lacquer may deteriorate from exposure to weather, perspiration, extremes of climate, frequency of use or other factors. Tarnishing or excessive wear of these finishes is, therefore, not a defect, but a normal process which is unavoidable. Therefore, unless a specific product warranty includes an extended warranty, the finish will not be repaired or replaced under our warranty for tarnishing or wear of finishes.

## 12. LIMITED WARRANTY

We issue different warranties for different products so that the warranty will match the performance of each product. We grant to our customers the same warranty granted to the ultimate consumer. The specific details of the warranty relating to each of the products to which these terms and conditions apply will be found with the product and in our product catalogue. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS AND IMPLIED. OUR LIABILITY TO OUR CUSTOMER IS LIMITED TO THAT STATED IN EACH SUCH WARRANTY AND UNDER NO CIRCUMSTANCES WILL WE BE LIABLE TO OUR CUSTOMERS FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. Please see warranty statement in the index of this price book.

For more information concerning any specific warranty contact us at:

Product Support  
K2 Commercial Hardware  
6161 E. 75th Street  
Indianapolis, IN 46250  
(866) 590-2094

## 13. PATENT INDEMNITY

We agree to defend any suit or proceeding brought against our customer so far as based on a claim that our products, or any part thereof, made solely to our specifications and furnished to our customer constitute an infringement of any U.S. patent, if notified promptly in writing and given authority, information and assistance at our expense for the defense of same, and we shall pay all damages and costs awarded therein, against our customer, in case our products, or any part thereof is in such suit held to constitute infringement and their use is enjoined, we will, at our expense and discretion, either procure for our customer the right to continue using the products or replace same with non-infringing products, or modify them so they become non-infringing, or remove such products and refund the purchase price (less depreciation, prorated from the purchase date). The foregoing states our entire liability for patent infringement by our products or any part hereof.

## 14. DEFAULT

If our customer is in default under any order or contract with us or any of our affiliated divisions or companies, or if we at any time shall not be satisfied with our customer's financial conditions or responsibility, we shall have the right, without prejudice to any other legal remedy, of suspending deliveries until such default or condition is remedied.

## 15. ASSIGNMENT

Our customer shall not assign its orders nor any of its rights or obligations there under without our prior written consent.

## 16. APPLICABLE LAW

These Terms and Conditions of Sale and any subsequent sales agreements between K2 and customer shall be construed in accordance with the laws of the State of California.

## 17. WAIVER AND MODIFICATION

No waiver or modification of any of the terms and conditions contained herein shall be effective unless such waiver or modification is in writing and signed by an authorized representative at our offices in Lake Forest, California.

## 18. CERTIFICATION

We hereby certify that the goods covered by our invoice have been produced in compliance with the Fair Labor Standards Act of 1938, as amended.

**Date: 5 April 2012**

**Re: BAA and ARRA Eligibility for K2 Products**

To All US Government Contractors:

We appreciate your interest in the Stanley Security Solutions, Inc. product offerings

Stanley K2 QDC100/200/300 Series Door Closers  
Stanley K2 QED100/300 Series Exit Devices  
Stanley K2 QCL100 Series Cylindrical Grade 1 Locksets  
Stanley K2 QCL200 Series Cylindrical Grade 2 Locksets  
Stanley K2 QCI200 Series Grade 2 Interconnected Locks  
Stanley K2 QTL200 Series Tubular Grade 2 Locksets  
Stanley K2 QDB100/200 Series Tubular Grade 2 Deadbolts  
Stanley K2 QME/QMS/QML100 Series Mortise Locks  
Stanley K2 QET100/300 Exit Trim  
Stanley K2 QRT 300 Exit Trim  
Stanley K2 QRM 100/300

The products listed herein fully comply with the American Recovery and Reinvestment Act (ARRA) as well as the Buy American Act as specified in Sections 25.003 and 52.225.11 of the Federal Acquisition Regulation.

In addition, for federally funded projects estimated at \$7.804 million or more, our K2 products made in designated WTO Government Procurement Agreement countries are eligible for equal consideration with US domestic products, under provisions specified in both BAA and ARRA.

If you need further information regarding the conformance requirements of these products, please contact the undersigned at Thomas.Ryan@sbdinc.com.

Sincerely,

A handwritten signature in black ink that reads "Thomas Ryan". The signature is written in a cursive style with a horizontal line extending to the right.

## Key System Security Policy

The purpose of this security policy is to protect the key system integrity of our customer's facilities by *strictly enforcing* the K2 Commercial Hardware policies concerning key system information.

- No master key system information or security-related product is to be given or sold to anyone other than the Facility Owner through written correspondence.
- Verification must be submitted (fax copy will be acceptable) to Key Systems Administration.
- The verification must be on the Facility's letterhead and signed by a Facility-authorized system administrator. The letter must state the name, address and contact person to whom the information may be released. (Authorized Dealer)
- Our Customer Service department does not maintain "Letters of Authorization" on file.
- Each order must be accompanied by proper authorization.
- Only after the authorization has been verified will an order be processed for production.

This security policy includes the following:

- Bitting information (even one bitting, absolutely no top level master keys)
- Bitting lists (all formats; i.e., hard copy, disc)
- Pre-built Cylinders extending a system
- Master Keys and Construction Keys (any level)

No orders are to be processed through K2 Commercial Hardware Customer Service without proper written authorization. Only orders with appropriate authorization will be processed.

Requests for systems information without proper authorization from the Facility Owner will be denied. Requests for information regarding the purchase of any systems support products as listed above will be referred to the local authorized sales agency.

Refer to current price lists for additional policies and procedures as they relate to this security policy.

Please remember: The purpose for the establishment of any security system is to provide an increased level of protection for the Facility Owner.

## Keying Descriptions

<b>KD</b>	<b>"Keyed Different"</b> - Each lock has an independant cut. (Can also be incorporated into a custom keyed system)
<b>KA</b>	<b>"Keyed Alike"</b> - Group of two or more locks with the same key cut. (Can also be incorporated into a custom keyed system)
<b>CK</b>	<b>"Construction Keyed"</b> [a.k.a. Protecto Keyed (PK) / Builder Keyed] - Temporary builder keyed system used during the construction phase. (We employ the "lost ball" method of construction keying)
<b>CMK</b>	<b>"Construction Master Keyed"</b> - Combination of a construction key system and permanent master keyed system.
<b>Maison**</b>	<b>"Keyed Common"</b> or <b>"Keyed to Pass"</b> - Lockset is keyed in a manner such that several random change keys (user) are able to pass through a common area.
<b>MK</b>	<b>"Master Keyed"</b> - Simple two level system; A group of locks (KD, KA or both) that are operated by a change (user) key and a single master key.
<b>GMK</b>	<b>"Grand Master Keyed"</b> - Three level system where one GMK (grand master key) opens all locks. Sub-master key (MK) only opens locks within its assigned group. All individual locks have their own random change (user) key.
<b>GGMK**</b>	<b>"Great Grand Master Keyed"</b> - Four level sytem where on GGMK (great grand master key) opens all locks in the keyed system. Two different GMKs (grand master keys) open only specific locks in system. Two or more MKs (sub-master) only open assigned locks under their assigned GMK. All locks have their own random change (user) key. <i>Note: this type of system limits security.</i>
<b>SFIC Ready</b>	Prepared to accept a Small Format Interchangeable Core (SFIC).
<b>LC</b>	Locks shipped <b>"Less Cylinder"</b>
<b>ZB</b>	Lock built with <b>"Zero Bitted Cylinder"</b> packed with two key blanks.

### Controlled Cross Keying

A condition in which two or more different keys of the same level of keying and under the same higher level key(s) operate one cylinder by design; e.g., XAA1 operated by AA2 (but not XAA1 operated by AB1)

### Uncontrolled Cross Keying

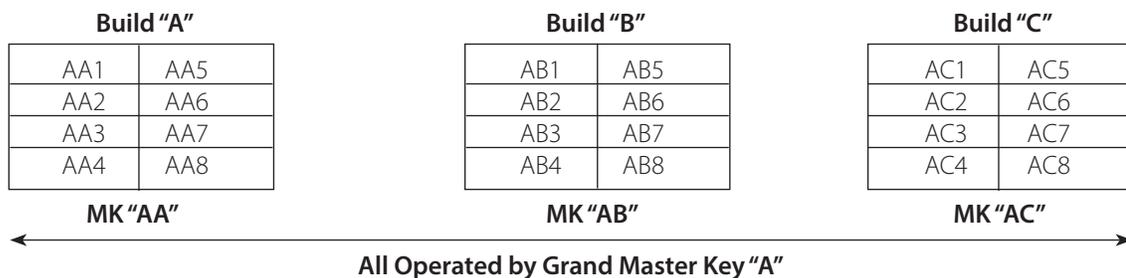

A condition in which two or more different keys under different higher level keys operate one cylinder by design; e.g., XAA1 operated by AB, AB1

NOTE: This condition could severely limit the security of the cylinder and the maximum expansion of the system when (1) more than a few of these different keys operate a cylinder, or (2) more than a few differently cross keyed cylinders per system are required. Uncontrolled Cross Keying is not recommended and often leads to key interchange.

\* 6 pin keying is standard. KW can also be ordered with 5-pin option to match residential products.

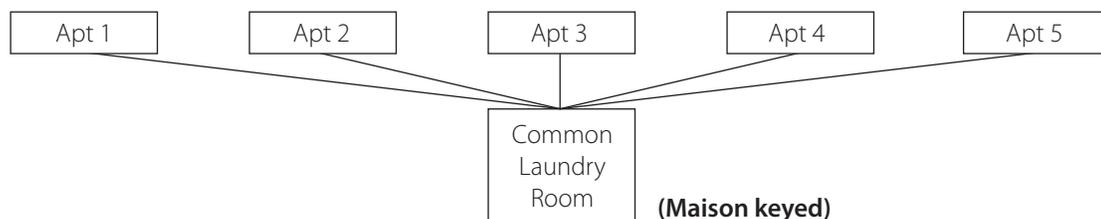

\*\* These multi-level keying systems may be limited when being requested with a 5-pin system.

### Sample of GMK set up:

### Sample of typical Maison set up:

(All Apt change keys to operate Maison lock)

## KEYING OPTIONS

Order	Description	List Price	Quantity
<b>KD</b>	Keyed Different	No Charge	1

# How to Order

Grade 1 Heavy Duty  
Mortise Deadlocks

K2 Products are simple to order. Our numbering system follows a logical progression that enables you to make sure you get exactly what you need, the first time. We don't over complicate things, we keep it simple... **just part of being the "Easiest to do Business with."**

If you have a question, feel free to call one of our customer service representatives, they are ready to assist you...866-590-2094

## Example

If you ordered: QML186 626 RH KW6 KD

You would get: Grade 1 Classroom Mortise Lock, Satin Chrome, Right-Hand, Kwikset Keyway, Keyed Different.

### NOTES:

Consult factory for lead times on 605, 606, 619 & 625 finishes.

\*Classroom function requires handed cylinder turn. Specify handing when ordering.

QML 180

Model/Series	Functions	Price		Case Qty
		626	605 <sup>†</sup> , 606 <sup>†</sup> , 613, 619 <sup>†</sup> , 625 <sup>†</sup>	
<b>QML180</b>	Single Cylinder	\$237.00	\$247.00	10
<b>QML182</b>	Double Cylinder	\$268.00	\$278.00	10
<b>QML184</b>	Cylinder Only	\$201.00	\$201.00	10
<b>QML186*</b>	Classroom	\$242.00	\$252.00	10

NOTES:

<sup>†</sup> Consult factory for lead times on 605, 606, 619 & 625 finishes.

\* Classroom function requires handed cylinder turn. Specify handing when ordering.

Prices include standard cylinders. Reference cylinder options for complete listing.

# MORTISE DEADLOCK KITS

Mortise deadlock kits include case, instruction sheets & template, and case mounting screws.

<b>8Q00314</b>	Fail Safe / Fail Secure 24VDC Power Supply	\$656.00	

## Electrified Product Specifications

- Consult Factory for lead times.
- Electrification prices should be added to list price of lock.
- Standard door prep.
- Deadlocking latch.
- Key override allows key to retract latchbolt momentarily on electronically locked models.
- Inside lever always free for immediate egress.
- Continuous duty solenoids.
- Tie into alarm systems and electromagnetic locks.
- 12V AC/DC with .250 amp current.
- 24V AC/DC with .150 amp current.
- **Specify voltage when ordering.**
- Lifetime warranty on lock body; 1 year warranty on electric components.
- Uses power supply 8Q00314.
- Warranty: 1 Year Electrical.

## Power Supply Specifications

- Consult Factory for lead times.
- Provides power for fail safe or fail secure locking devices.
- UL listed, US & Canada, Class 2.
- Filtered and regulated 24DC constant voltage.
- 2 AMP load capacity.
- Over voltage/short circuit protection.
- Surge suppression for locking devices.
- Interface relay to isolate the locking device current from the control switch.
- Auxilliary 24VDC constant voltage for powering stand alone devices such as keypads, motion detectors, status indicators, etc.
- Field terminal block set at 45° for ease of installation.
- Can power up to 12 24V Cylindrical fail safe/ fail secure levers - refer to installation manual for additional details.

# QED100 Series

Grade 1 Heavy Duty Exit Devices

## ELECTRIFIED OPTIONS (CONSULT FACTORY FOR LEAD TIMES)

QED 100 Series

Model #	Description	List Price Adder
QED__LR	Electrified Latch Retraction (LR) allows for the remote unlatching of exit devices. Continuous duty solenoids retract latches momentarily or for extended periods of time. <u>Requires</u> the use of K2 power supply 8Q00312 or 8Q00313.	\$761.00
QED__ED	Electrified Dogging (ED) allows continuous latch retraction and dogging simultaneously. ED requires first time mechanical activation after which the push bar will continuously hold the push bar and latch retracted. When power is removed or interrupted from the device, the latch bolt will extend and push bar will release. Uses power supply 8Q00314 (on page E-5)	\$656.00
QED__X	Request to Exit (X) is an SPDT (Single Pole Double Throw) switch which monitors the push bar of the exit device. The X switch can be used to activate a door alarm, control a magnetic locking device, shunt a door alarm or signal a control console when the push bar is depressed.	\$242.00
QED__LRX	Electrified Latch Retraction (LR) device with a Request to Exit (X) switch. <u>Requires</u> the use of K2 power supply 8Q00312 or 8Q00313.	\$945.00
QED__EDX	Electrified Dogging (ED) device with a Request to Exit (X) switch. Uses power supply 8Q00314 (on page E-5)	\$840.00

## POWER SUPPLY OPTIONS (CONSULT FACTORY FOR LEAD TIMES)

Model #	Description	List Price Adder
8Q00312	Power supply for Electronic Latch Retraction Devices (LR/LRX)	\$761.00
8Q00313	Power supply with Day/Night mode for Electronic Latch Retraction Devices (LR/LRX)	\$866.00

### Electrified Product Specifications

- Consult Factory for lead times
- Electrification prices should be added to price of device
- Continuous duty solenoids
- Tie into alarm systems and electromagnet locks
- 24V AC/DC with .150 amp current
- Lifetime warranty on exit device; 1 year warranty on electronic components
- LR or LRX requires power supply 8Q00312 or 8Q00313
- Minimum door width 36"
- LR and ED requires the removal of mechanical dogging mechanism
- Options can be used in any Hex Dog or Fire Rated QED 100 Series Device (How to order example: QED111LR 36" 626)

### Power Supply Specifications (10" x 10" x 4.25")

- 8Q00312**
  - Provides power for up to two LR or LRX devices
  - Supplied with wiring diagram in detailed instructions
  - Automatic door operator interface
  - Independent control of single exit devices (one or two single doors) or sequential operation of two devices (pair of doors) field adjustable latch retraction time delay
  - 24VDC or 12 VDC auxiliary power, unfiltered & unregulated
- 8Q00313**
  - Same as 8Q00312 with the addition of a day/night mode
  - Provides separate input for retracting one exit device or two exit devices sequentially without activating the auto door operator. While the latches are held retracted auto operator can be activated independently from a different output.

# How to Order

## Mullions

K2 Products are simple to order. Our numbering system follows a logical progression that enables you to make sure you get exactly what you need, the first time. We don't over complicate things, we keep it simple...just part of being the "Easiest to do Business with."

If you have a question, feel free to call one of our customer service representatives, they are ready to assist you...866-590-2094

### Example

**If you ordered:** QRM111 HC KR 8' 600

**You would get:** Keyed Removable, Hurricane Compliant mullion, 8' height, with Primer finish. Prepped for QED100 Series strike.

### Applications

Use with Rim Exit Devices on pairs of doors.

### Product Specifications

- 2" x 3" (51 mm x 76 mm) steel mullion tube. 1/8" wall thickness.
- Hurricane: 2" x 3" steel mullion tube. 5/16" wall thickness.
- Size: Standard for openings 8'0" high, field sizeable for openings less than 8'0", 9', 10', 11' & 12' also available and are field sizeable.
- Mullion is pre-prepped for QED100 Series Exit Devices
- **Fire and Hurricane Rating 8' 0" high max.**
- Available Finishes: Primer (600), Aluminum (689) and Dark Bronze (695)

### Hurricane Compliant

QRM111 HC KR OR QRM113 HC KR

Locking KR Headcap  
(Rim Cylinder not included)

## KEYED REMOVEABLE MULLIONS (CONSULT FACTORY FOR LEAD TIMES)

Order #	Description	List Price	
		600	689, 695
Cylinder not included. Keyed removable mullions utilize standard rim cylinders. Reference Cylinders, Keys & Keying section for more details.

## THICK DOOR KITS (TDK's)

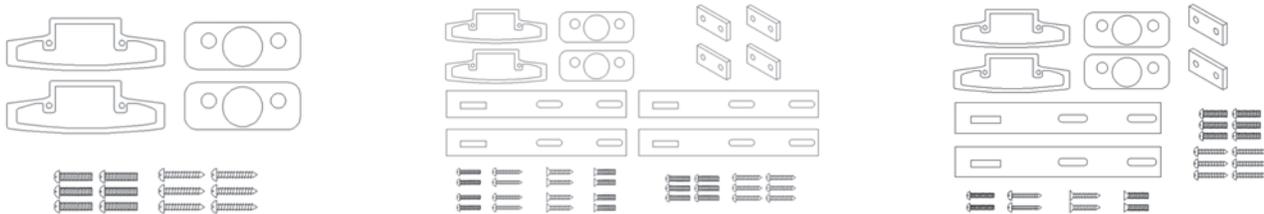

Thick door kits (TDK's) are used to extend the length of the exit trim spindle for non-standard (1 3/4") thick doors. These kits include appropriate length exit trim spindles and fasteners.

Trim	Door Thickness				List Price
	2"	2 1/4"	2 1/2"	2 3/4"	
<b>QET330</b>	8Q00419	8Q00420	8Q00421	8Q00422	\$15.00
<b>QET360</b>					
<b>QET370</b>					
<b>QET365</b>	8Q00423	8Q00424	8Q00425	8Q00426	

## GLASS BEAD KITS (GBK's) (SPECIFY FINISH)

- Glass bead kits (GBK's) are used to shim exit devices off the face of a door with raised glass beads. Each kit contains (2) 1/8" shims (total clearance of 1/4") and fasteners.
- Requires the use of a thick door kit (TDK) if using an exit device trim.
- Available finishes: 689, 690

Part #	Device Type	Model	Finishes	List Price

# How to Order

## Mullions

K2 Products are simple to order. Our numbering system follows a logical progression that enables you to make sure you get exactly what you need, the first time. We don't over complicate things, we keep it simple...just part of being the "Easiest to do Business with."

If you have a question, feel free to call one of our customer service representatives, they are ready to assist you...866-590-2094

### Example

If you ordered: QRM313 KR 8' 689

You would get: Keyed Removable, Fire Rated mullion, 8' height, with Aluminum finish. Prepped for QED300 Series strike.

### Applications

Use with Rim Exit Devices on pairs of doors.

### Product Specifications

- 2"x 3" (51 mm x 76 mm) steel mullion tube. 1/8" wall thickness.
- Size: Standard for openings 8'0" high, field sizeable for openings less than 8'0", 9', 10', 11' & 12' also available and are field sizeable.
- Mullion is pre-prepped for QED300 Series Exit Devices.
- **Fire Rating 8' 0" high max.**
- Available Finishes: Primer (600), Aluminum (689) and Dark Bronze (695)

### Removable Keyed Mullion

Locking KR Headcap  
(Rim Cylinder not included)

## CUSTOMER SERVICE DEPARTMENT

Hours: 7:00 a.m. to 5:00 p.m. Central Time

For Order Placement, Order Status  
or Product Information

Phone: 800-346-9445

Fax: 800-346-9448

[www.stanleyhardware.com](http://www.stanleyhardware.com)

[www.natman.com](http://www.natman.com)

### PRICES

All prices in this book are list, for immediate acceptance only, and subject to change without notice. Prices are based on full box quantities where quantity is indicated in "Order Qty. Unit" column.

### EASY ORDERING

A six-digit stock number is printed immediately following the price for each item. It will simplify ordering, assure accuracy, and speed shipment if these numbers are used for placing orders. You need specify only the actual quantity (not boxes) and the stock number. Be sure to order in multiples of the "Order Qty. Unit" shown.

### PREPAID FREIGHT TERMS

Prices are F.O.B. shipping point. Freight prepaid, routing our selection, on shipments of \$500 net to the contiguous states and the District of Columbia. Freight charges will be prepaid for non-stock items shipped separately if they qualify under the terms listed above. Requests for proof of delivery receipts are subject to a \$10 charge per shipment, which charge will be canceled if delivery was not made. Return goods subject to a restocking charge. Prior authorization required.

### SHIPPING AND HANDLING

There is no minimum order dollar amount required. Products must be ordered in standard box quantities; however, orders that do not meet prepaid freight requirements will be assessed a shipping and handling charge based on weight and shipping zone defined as being shipped from Rock Falls, IL. A minimum Shipping and handling charge of \$12 will be assessed.

### RETURN POLICY

Customer Service MUST authorize all returns. A RGA# (return goods authorization number) will be given and must appear on the return label as well as the return reason. Such authorization will be considered only if the request is made within 90 days of shipment and only if the credit can be applied to a specific invoice. If product to be returned is an error on the part of National, full credit will be issued and freight paid for the return or a pick up by UPS. Merchandise to return that is not our error will be subject to a 20% restock charge and the customer must pay the freight charges. In addition, no product may be returned which is not in complete boxes, previously priced or non-stock items. All returns are to be shipped to: National Manufacturing Co., Return Goods Department, 41 East Route 30, Rock Falls, IL 61071

### CLAIMS

Claims for shortages and pricing errors must be made within 30 days of shipment and are subject to approval. Claims made after 30 days will not be honored.

### PAYMENTS

Our standard terms are Net 30 days from date of invoice.

### GENERAL

Orders for non-stock items cannot be canceled once in production. Merchandise cannot be returned or exchanged without prior written approval. Mark all Confirmations as such in order to avoid duplicate shipments.

### PRICE TICKET SERVICE

A service is available that provides price tickets along with your shipment. This makes receiving and marking merchandise faster, easier and more accurate. You get products to your sales floor faster and prevent lost sales. Pricing options include setting your own gross profit margins, using a pricing points chart and ending all selling prices in "9". Optional information printed on tickets includes your store name, National's stock number, the shipping date, your cost code and your selling price. A location ticket is also provided for each line item. Tickets are grouped by shipping carton making them easy to find and apply. There is a nominal charge. See your National salesperson for complete details.

### SAFE WORKING LOAD (SWL)

Safe Working Loads have been determined through testing under conditions relating to actual use and by applying a safety factor. They are shown in pounds in the right hand column of each item, where applicable, under the column heading "SWL". The load shown is for one of each product. Do NOT exceed the SWL under any conditions. Do NOT use any of these products for overhead lifting, support of human weight, athletic or playground equipment. When safety is involved, consult us first. Inspect frequently!

### QUANTITY PER PAC (QPP)

On products, where applicable, a quantity per pac is shown under the column headings "Size/Finish (QPP)". It will be shown in parenthesis ( ) to the right of the finish. If no QPP is indicated, the pac quantity is 1.

# Product Finishes

## Finish Information

### DECORATIVE FINISHES

Most decorative plated finishes are given the added protection of baked-on lacquer which helps retain the original beauty under ordinary conditions.

### CHROME

These finishes do not tarnish, and are therefore not lacquered.

### ZINC PLATING

Although rust resistant in itself, it is given a special chromate coating which practically doubles the life of the finish. It may also be painted.

### GALVANIZED FINISH

This finish offers corrosion resistance when applied to steel. It is recommended for areas where corrosive elements, such as salt air, are present.

### GALVANIZED with BRASS PIN

Galvanized hinges, hasps, and barrel bolts have a solid brass pin for superior corrosion resistance and smoother operation.

### PHOSPHATIZING

All painted products have a phosphate undercoat. This phosphate spray forms a strong bond between the metal and the prime coat, providing corrosion resistance, preventing chipping, peeling, and cracking after painting.

### BAKENAMEL®

The amazing durability of BakEnamel® finishes has been developed through extensive abrasion and salt spray testing, and has been demonstrated by years of actual use. The baked-on finish is tough, long-lasting and rust resistant, and is vastly superior to decorative plated finishes when exposed to moisture. Most of the painted finishes are BakEnamel®.

### STAINLESS STEEL

All of the stainless steel products utilize 300 series Stainless Steel, 18 - 8 type alloy. This 300 series Stainless Steel has 18% chromium, which gives the same type of corrosion protection as pure chromium in chrome plating. These products will not corrode or rust when exposed to the weather.

### BLACK

Most of the Black Painted products have excellent corrosion resistance because they are triple-protected with zinc plate, black chromate dip and black baked on enamel finish.

### ANODIZED ALUMINUM

Anodizing is the controlled oxidation of aluminum using an electro-chemical process to create a corrosion resistant surface. The result is an abrasion resistant surface that will not peel, chip or flake off regardless of age or weather.

#### NOTE:

Stanley's finishes are made to conform as closely as possible to U.S. and ANSI/BHMA standards. No claim is made that Stanley's finishes will match those of other manufacturers.
