

**TRIMCO** makes products which open doors to other worlds. We manufacture commercial/architectural door hardware. We make products that let people into and out of hospitals, hotels, places of worship, restaurants and schools. Our products hold open operating room doors, keep out vandals and shut doors automatically to help keep fires contained.

**TRIMCO** makes hardware that kills bacteria, assists in access for the disabled, and that withstands daily abuse by school-age children. We manufacture and ship from our plant so we can ship our products anywhere in the world.

**TRIMCO** makes what matters.

Trimco Online

(EXCLUSIVELY FOR TRIMCO CUSTOMERS ONLY)

With Trimco Online:

- A. You can view **Trimco's Online Catalog**, where you can print your catalog cuts for your submittals. Coming soon will be the availability of the templates for each item. A complete printable template book will not be available but there will be the ability to print a template for each item individually.
- B. You will see the **Trimco Online Store**, where:
  1. You can place orders online for stock items and have the order shipped within 48 hours. Customers can place their order for "ship complete" or "ship & B/O"; custom and special items will still need to be faxed into the factory for processing. You get your sales order e-mailed within minutes.
  2. You can see date entered and the anticipated ship date.
  3. Check status on open orders; track your shipments online, check availability of products.
  4. **All orders placed through the Online Store will receive an additional 2% discount included in the pricing of each item. \$50.00 minimum for online orders only.**

If you would please fill-in the information and **fax it to 323-526-3554 to the attention of Sylvia Laskowski**. She will in turn fax or e-mail your password/pin # so that you can access the online store. If you have more than two users add them to another page along with this form.
