FIERCELY INDEPENDENT, SINCE 1949

WHO WE ARE!

Trimco, Circa 1965

Trimco, 2015

Trimco was founded in 1949 in Los Angeles, California. More than 65 years later, we are in the same location and continue to operate as a family owned and operated, independent business. Trimco has a team of more than 100 dedicated professionals focused on providing a remarkable customer experience.

Trimco continues to be a trusted leader in developing products for the most demanding environments. Our expansive portfolio has many unique, patented solutions designed to address real life problems. Most of our products are manufactured in the USA to the highest quality standards while maintaining competitive prices. With four convenient distribution points across the U.S., you can get your Trimco products quickly.

Our foundry in Tijuana, Mexico gives us the flexibility to pour stock and custom products with short lead-times and local quality control. With our master craftsmen and domestic manufacturing, Trimco is uniquely positioned to expertly manage and deliver custom product solutions in an easy, painless process.

Our internationally recognized line of products are trusted and specified by a significant number of independent and competitor-affiliated specification writers, and 28 experienced independent sales agencies represent and support Trimco globally.

Trimco. Fiercely Independent since 1949!

HOW TO USE THIS PRICE LIST

1. Pricing is as indicated for standard finishes. 605, 613, 625, 626, 628, 629 and 630. Additional finishes are available as shown below. If a price is not shown for a particular finish, it may be available at the special price or by special quotation if quantities warrant. Minimum quantities may apply.
2. As a matter of convenience, those items commonly stocked are marked with a box surrounding the price. We will attempt to have the boxed items in-stock, in quantities close to expected demand. In any event, anticipate that lead-times for these items will generally be very short.
3. Items formerly offered, but not in this price list are available by special order and quotation only provided basic materials are available.
4. When ordering, please use numbers and finishes as indicated in price list. It will expedite the entering of your order, and reduce the chance of error due to incorrect interpretation.
5. Some products are marked with the following logos:

Products with a UL listing.

Products that meet ADA requirements.

Products that can be manufactured with bactericidal copper alloys.
