STORAGE & ORGANIZATION SOLUTIONS

PROFESSIONALS DON'T COMPROMISE. NEITHER DOES WATERLOO.

Waterloo Industries manufactures the broadest offering of storage products. Our solutions are:

- ▶ Built to last
- ▶ Intelligently designed for professional use
- ▶ Tested and protected by warranties
- ▶ Available with short lead times
- ▶ Supported by outstanding customer service
- ▶ Competitively priced

Waterloo Industries storage solutions can be found anywhere professionals use tools to earn a living. Our products are the professional's choice in maintenance and repair, industrial and manufacturing, automotive repair, and more.

A HISTORY OF QUALITY

With a tradition of quality and innovation since 1922, Waterloo Industries is the leading North American manufacturer of tool storage chests, cabinets, utility carts, portable tool storage, project centers, workbenches, and workspace storage. Our products are manufactured in two state-of-the-art North American facilities in Sedalia, Missouri and Nogales, Mexico. These facilities house production, engineering, testing, and training experts.

Waterloo Industries operates under the consumer products company Fortune Brands Home & Security, Inc. (NYSE:FBHS).

CONTENTS

With our wide array of storage products, hard-working professionals can find exactly what they need to fit their specific storage and organization needs.

PROFESSIONAL HD SERIES

The Professional HD Series is designed for your heaviest storage needs. Whether you're on a factory floor or repairing a jet engine, you can rely on the rugged roll cage construction.

PCH-36521RD
PCA-36821RD

FEATURES & BENEFITS

- ▶ **Rugged roll cage construction** evenly distributes weight to add strength.
- ▶ **Patented Posi-Latch® latching system with SolidTrax™** assembly ensures drawers are stable and latch securely.
- ▶ **Heavy-duty 6 x 2 inch industrial casters** support 3,500 lbs. with four casters or 5,200 lbs. with six casters.
- ▶ **Non-slip drawer liners and metal drawer dividers** protect and organize tools.

WORKSTATIONS

- ▶ **Full-extension 120 lb. ball-bearing drawer slides** tested to withstand heavy daily use. Double slides on select drawers support 240 lbs.
- ▶ **Internal tubular keyed locking system** protects valuable tool collections.

CHESTS & CABINETS

- ▶ **Full-extension 200 lb. ball-bearing drawer slides** (double slides on select drawers support 400 lbs.) tested to withstand heavy daily use.
- ▶ **Cable-activated tubular keyed locking system** protects valuable tool collections.
- ▶ **Smooth-operating gas struts** safely support chest lids with full-width lid stiffeners.
- ▶ **Open till design** provides direct access to storage under lids.

PROFESSIONAL SERIES

The Professional Series is designed for work environments where solid construction and high-quality features aren't optional. From an automotive service bay to an industrial or commercial job site, these products exceed requirements.

PCH-418RD
PCA-4111RD

FEATURES & BENEFITS

- ▶ **Rugged sidewall post construction** provides extra rigidity for handling large loads.
- ▶ **Full-extension 110 lb. ball-bearing drawer slides** tested to withstand daily use. Double slides on select drawers support 175 lbs.
- ▶ **Patented Posi-Latch® latching system** assures drawers latch securely.
- ▶ **SolidTrax™ drawer assembly** adds stability and strength.
- ▶ **Tubular keyed locking system** protects valuable tool collections.*
- ▶ **Heavy-duty 5 x 2 inch or 6 x 2 inch industrial casters** support 1,100 or 3,500 lbs. for smooth movement over shop floors.
- ▶ **Non-slip drawer liners** protect tools and drawer surfaces.
- ▶ **Smooth-operating gas struts** safely support chest lids.*

*Stainless steel products include hinged supports and are secured with a slotted keyed locking system.

WORKSPACE STORAGE & ORGANIZATION

Waterloo's Workspace Storage complements our tool chests and cabinets for a complete storage solution. Organize a repair shop, maintenance room or supply closet to fit your needs.

WWC-28BK (2)
WFC-32BK
WWB-72BKSS
SCA-264BK-B
SCA-265BK-B

This configuration efficiently organizes a 9 x 2 foot space

FEATURES & BENEFITS

FLOOR & WALL CABINETS

- ▶ **All-steel, heavy-duty construction** for rugged, high-capacity general storage.
- ▶ **Adjustable shelves** allow flexibility to store items in a variety of sizes and shapes.
- ▶ **Two-point locking system** engages at the top and bottom of cabinet doors.
- ▶ **Openings for electrical cords** enable tools to be charged behind cabinet doors.
- ▶ **Leveling feet** with 1.25 inch adjustability ensure cabinet stability, even on uneven floors.
- ▶ **Zero clearance doors** enable cabinets to be placed side-by-side or in a corner.

WORKBENCHES

- ▶ **Strong 2 x 2 inch 16-gauge tubular steel legs** support 1,500 lbs.
- ▶ **Two locking ball-bearing drawers** operate smoothly and offer secure storage.
- ▶ **Steel backsplash** prevents items from falling off behind the work surface.
- ▶ **Extra-wide 5.25 inch stringer** provides stability.
- ▶ **Leveling feet** with 1.25 inch adjustability ensure stability, even on uneven floors.

WALL CABINET

- WWC-28BK Black
- ▶ 28 W x 12 D x 28 H inches
- ▶ Mounts to wall or trackwall system
- ▶ One adjustable 50 lb. shelf
- ▶ 120 lb. overall load rating
- ▶ Keyed lock

Made in the USA
With Global Components

FLOOR CABINET

- WFC-32BK Black
- ▶ 32 W x 18.25 D x 74 H inches
- ▶ Three adjustable 50 lb. shelves
- ▶ 300 lb. overall load rating
- ▶ Keyed lock
- ▶ Assembly required
- ▶ 108 lbs.
- ▶ 42,624 cubic inches
- ▶ 2,010 square inches

Made in the USA

PORTABLE SERIES

Portable Series storage organizes small collections of tools in compact, mobile designs that can be easily carried to the job site.

PP-2314BK

FEATURES & BENEFITS

- ▶ **Fully lockable** with rust-resistant latches in order to secure your valuable tools (padlock not included).
- ▶ **Full-width piano hinge** for trouble-free opening and closing.
- ▶ **Removable tote trays** allow easy access to your most-used tools and parts.
- ▶ **Comfort-grip handles** make your tool box easy to carry. Handles on plastic portables are recessed into the lid, providing a flush top surface for stacking and storing.
- ▶ **Steel drawers** in select models maximize organization.
- ▶ **Plastic portables with molded in color** are constructed with high-impact polypropylene that resists cracking in extreme temperatures (-20°F to +120°F).

TECHNICAL EDUCATION

The Waterloo STEP™ (Student To Expert Partnership) Program is our way of investing in the future workforce by helping students with their training. Waterloo Industries partners with leading professional brands to bring schools and students the finest selection of tools and tool storage.

We offer affordable tool and tool storage solutions for a range of tech education programs through:

- ▶ Generous discounts for students, instructors and schools
- ▶ A wide selection of professional tools and tool storage
- ▶ Free shipping in the 48 contiguous United States
- ▶ Financing with affordable payments
- ▶ Student eligibility any time before graduation
- ▶ No minimum or maximum order requirements

Visit WaterlooTechEducation.com for more information.

TATTOO ARTIST WORKSTATIONS

Waterloo has taken our expertise in storing the tools of the trade and used it to engineer Waterloo Artist Series Workstations for the tattoo industry. In partnership with tattoo artists, we created a uniquely affordable, custom-designed solution that fits their storage and work space needs. Features include:

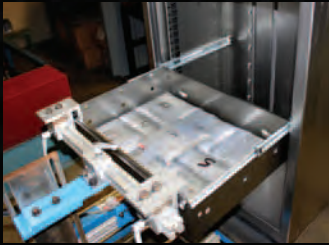

- ▶ DripGuard™ stainless steel worksurface
- ▶ Paper towel holder
- ▶ Power strip with a USB port
- ▶ Lockable personal storage
- ▶ Organization accessories

Visit WaterlooTattooStorage.com for more information.

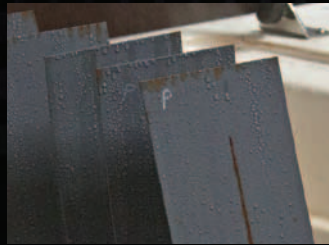

DEPENDABLE QUALITY

At Waterloo Industries, we don't just talk about product quality, we ensure it. Our products are subjected to an extensive battery of fatigue and durability tests before and after they go into production. Waterloo testing labs simulate a lifetime of heavy use with automated equipment. Tests include drawer cycling, salt spray exposure, treadmill, handle durability, load rating, and more.

Drawer-Cycle Test

Salt Spray Test

Treadmill Test

WATERLOO LIMITED WARRANTY

Waterloo warrants our products to be free from defects in materials and workmanship under normal use for the following periods from original date of purchase: Professional HD and Professional Series: 10 years; Waterloo Series and Workspace Storage: 7 years; Shop Series, Project Centers, Portables, Accessories and all other products: 1 year.

If any product is found to be defective in material or workmanship during normal use within the applicable warranty period, your exclusive remedy is replacement of the defective product or parts. This warranty does not cover products that are damaged through any misuse, abuse, accident, neglect, modification or mishandling. Waterloo will not be responsible for any losses, injuries or costs of any nature, including indirect, incidental or consequential damages, relating to this product, including transportation charges. Except as provided by law, this warranty is in lieu of and excludes all other warranties, conditions and guarantees, whether expressed or implied, statutory or otherwise, including without restriction those of merchantability or fitness for a particular purpose.

Some states, provinces and nations do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state, province to province, and nation to nation. We will advise you of the procedure to follow in making warranty claims. Warranties do not cover units that are mounted or used in moving vehicles. Contact us, using the contact information below, with a model number/description of the product, description of the defect, proof of original purchase, and your name, address, area code and telephone number. Waterloo Industries may request photos identifying the product and showing the defect to qualify for return authorization.
